what!

Bai Yi's face changed wildly, and she didn't think that the other party could be so shameless.

Obviously he was harassing himself, but she turned out to seduce each other?

“Snapped!”

In the next instant, Bai Yi received a heavy slap in the face, was staggered, and collapsed on the ground.

She was stunned!

And the person who shot is the shrew!

“You... why are you hitting someone?”

Bai Yi cried aggrievedly. She didn't do anything. Why did the other party beat her?

“Xiaolang hoof, dare to hit me with the idea of a man Cuiyun, hitting you is considered light, if you don't kneel and knock me three times, I will tear your face!”

Miao Cuiyun roared with a ferocious expression. After seeing Bai Yi's beauty, she suddenly became jealous and wished to take it apart.

At this time, more and more people watched over, and when they heard this, they all stared at Bai Yi with contempt.

“This girl's family, it's shameless to do anything bad at a young age to destroy other people's families!”

“It looks like a fox face, it's not a good thing at first sight!”

“Bitch! Shameless! Pooh!”

When Bai Yi heard this curse, Bai Yi shed tears and shook his head vigorously:

“I don't have it, I really don't have it, he is harassing me!”

Wronged!

despair!

She also didn't expect to come to the mall once, how could she end up like this?

She obviously didn't do anything!

Why is this happening!

“Wife, don't believe her nonsense, that bitch came out of the toilet, hit me on purpose, and then asked for my phone number. If I didn't give it to her, I would pester me!”

“If you don't believe me, you can check the monitoring!”

Song Donglin said shamelessly, looking at Lin Fan extremely insidiously, he wanted to see how this bitch ended up.

“Bitch, do you dare to lie? See if I won't kill you!”

Hearing this, Miao Cuiyun suddenly jumped into a rage, and planned to go up and continue to teach Bai Yi.

And in her eyes, a sharp look was suddenly wiped, and her hands were hooked. She was going to tear this bitch's face and ruin her face!

See how she will seduce men in the future!

“No, no!”

Bai Yi also seemed to see the other party's intentions, and kept moving back, shaking his head, tears raining down.

“Help me, please help me!”

Bai Yi looked at everyone present, hoping that they would lend a helping hand.

But in their eyes, there is only contempt and disdain. In their eyes, Bai Yi is a slut who destroys the family, and she deserves the fate of today.

then!

Second Cuiyun's claws slashed towards Bai Yi's face fiercely!

Seeing this, Bai Yi suddenly closed his eyes in fright!

just!

After waiting for a long time, the expected pain did not arrive, and Bai Yi opened his eyes in confusion.

And in front of her, there was still that stalwart figure that made her feel extremely safe.

It seems that as long as he is there, she can be unafraid of heaven and earth!

The moment he saw Lin Fan, Bai Yi's aggrieved tears couldn't help but burst out, his voice choked:

“Husband!”

Lin Fan turned his head, looked at Bai Yi gently, and said with a smile:

“Don't worry, there is a husband! Nothing will happen!”

Nothing will happen?

Miao Cuiyun and Song Donglin both sneered. Does this scumbag look down on them?

“Boy, you are her wild man? This bitch is stealing a man on your back and you still protect her? Are you accustomed to wearing cuckolds, right?”

Even if Miao Cuiyun screamed, he didn't even put Lin Fan in his eyes.

But Lin Fan didn't care what she said at all, but said coldly:

“My wife, did you fight?”

Ok?

Second Cuiyun was taken aback, and then laughed extremely arrogantly:

“Yes, it's me! This bitch seduce my husband and deserves to be beaten!”

“What do you want?”

Snapped!

And the one who answered her was Lin Fan's fierce slap!

This slap slapped Miao Cuiyun directly away.

Simultaneously!

Lin Fan's face suddenly changed, and he said word by word:

“Not very good, I just want to give it back a hundred times!”
