

# Chapter: 1599

Helicopter?

However, after a few minutes!

All the Dragon Tooth generals headed by Kou Jianghuai walked towards Lin Fan in stride and bowed respectfully:

“Instructor, we are here to support you on the order of Mr. Xu!”

Old Xu?

Xu Longxiang?

How is this possible!

Miao Qiaowei’s eyes were staring out, and Longya’s leader Xu Longxiang actually ordered his men to support this man?

Xu Longxiang has always been upright, never using power for personal gain, but now...

Miao Qiaowei looked at Lin Fan in horror as he saw a ghost.

What terrible background does the man in front of him have, and it is worth Xu Long to treat him like this?

Tick!

Tick!

Drops of cold sweat instantly slipped down from his forehead.

That’s it!

This one is really over!

He already felt that one of his legs had stepped into the ghost gate, and his whole body was shaking uncontrollably.

At this time, Lin Fan nodded, and then looked at the three of Miao Qiaowei and others:

“My people are almost here! Do you want to compare the cards? Then do you think my current cards are enough?”

boom!

Miao Qiaowei only felt his brain roar, sweating like rain.

The most powerful gangsters in the whole Jiangnan are all gathered here, because of this man’s words, the whole Jiangnan is linked together.

Who can compare with this kind of card?

Even a provincial number one like Miao Qiaowei has no such ability!

Originally, Miao Qiaowei thought he was a small commoner, but what happened?

People are great gods!

These two eye-opening scumbags, this time they completely pitted themselves!

Simultaneously!

Lin Fan looked at the onlookers eating melons, and said coldly:

“Do you still think that my wife will seduce him?”

The audience was silent!

Everyone didn’t even have the courage to watch Lin Fan.

One sentence made a sensation in the entire Jiangnan, such a super god, can be called powerful.

How could his wife seduce a fat and ugly old man behind his back?

Unless she is crazy!

At this time they all realized that they had let Miao Cuiyun and Song Donglin deceive.

I don’t know Taishan!

“You two bastards, why don’t you kneel down for Mr. Lin?”

Miao Qiaowei immediately yelled at the two Miao Cuiyun.

Where did Miao Cuiyun dared to say half a word, he knelt down to Lin Fan, trembling all over.

Completely frightened!

Then, Miao Qiaowei squeezed a smile that was even worse than crying, and asked Lin Fan:

“Mr. Lin, I have no complaints about how you want to deal with them.”

Lin Fan looked at Miao Cuiyun coldly:

“I said, pay a hundred times! She slapped my wife just now, do you know what to do?”

Hear the words!

Long Jiu quickly winked at Long Qianxi.

Long Qianxi was immediately ecstatic. This was a great opportunity to please Lin Zuo. How could he miss it?

At the moment, he quickly walked towards Miao Cuiyun and opened his bow directly.

Bang bang bang!

Slap after slap, slapped on Miao Cuiyun’s face frantically as if he didn’t need money.

That way, it’s like vowing to never give up unless Miao Cuiyun is killed!

“Donglin, save me! Dad, save me!”

Miao Cuiyun screamed again and again, and after a while, his face was covered with blood, and he looked particularly scary.

The screams were like killing a pig and were extremely stern.

But Song Donglin and Miao Qiaowei didn’t dare to breathe. How could they dare to step forward and be troubled at this time?

Isn’t that looking for death?

Everyone can also see that Lin Fan will not take lightly to Miao Cuiyun today.

Repay a hundred times, isn’t that a hundred slaps?

Doesn’t this kill people?

At the moment, Miao Qiaowei made a decisive decision and scolded angrily:

“You have done a good job! I don’t care about you, if I offend Mr. Lin, you should pay the price!”

He already knew that he couldn’t save Miao Cuiyun, so he could only take care of himself in order not to be implicated.

just!

At this moment, Lin Fan’s cold eyes fell on him:

“I said you can go now?”
