

Chapter: 1600

Hear the words!

Miao Qiaowei's expression suddenly stiffened, then turned his head a little uneasy, and smiled bitterly:

"Mr. Lin, I was abrupt in this matter. I don't know what these two reckless things did. I also ask Mr. Lin to forgive me."

Miao Qiaowei's intestines are all regretful.

Knowing this a long time ago, how could he dare to be so arrogant before?

At this time, I caught fire and burned my body, causing a catastrophe!

"Forgive?"

Lin Fan sneered and said casually:

"I have let you off once before, do you think I will post you a second time?"

what!

Upon hearing this, Miao Qiaowei's expression changed wildly, and the uneasy feeling in his heart became stronger.

In the next moment, he seemed to have thought of something, and asked with a sad face:

"You... are you?"

Then, Lin Fan threw a blockbuster:

"It's me who killed your brother-in-law before!"

boom!

These words were extremely shocked, making Miao Qiaowei trembled like an electric shock.

It's not just him!

Even Miao Cuiyun and Song Donglin were paralyzed by fright at this moment.

They had heard before that the uncle had offended a big man, so he was arrested and shot, but they didn't even think that the big man was the man in front of them.

Puff!

Miao Qiaowei was already weakly sitting on the ground, his face pale, and his whole body was trembling.

During this period of time, I have been cautious and honest, just for fear that the existence will make him feel sick.

It is a blessing, not a curse, but a curse cannot be avoided.

After all, he still can't avoid this catastrophe.

But this time, he provoke Lin Fan himself!

Miao Qiaowei cried, really cried.

What did he do in his last life, and become relatives with such two broom stars, this time his black hat is really unsafe.

Thinking of his attitude towards Lin Fan just now, he knew what he would end up doing.

"It's all caused by you, it's all caused by you!"

Miao Qiaowei rushed to Song Donglin like crazy and slapped him directly.

"Old immortal, do you dare to hit me?"

Song Donglin roared like thunder and kicked Miao Qiaowei away.

This scene stunned Miao Qiaowei and his daughter.

Song Donglin has always been like a dog in their house. He can't fight back or scold him. Now he is standing up?

"Song Donglin, are you crazy? You hit my dad?"

”

Miao Cuiyun scolded angrily:

"You immediately apologize to my dad!"

just!

Song Donglin sneered again and again:

"What am I afraid of? I used to be afraid of him because he was the number one province. Now he is a fart?"

"Anyway, everyone is finished now, I still need to be angry with him? I dare to kill him!"

"you!"

Miao Qiaowei was trembling with anger, what kind of sin he had done.

But Lin Fan didn't even look at them, but ordered Long Jiu:

"This pair of dogs and men have a hundred slaps each, and they are not allowed to go!"

"And this prestigious provincial No. 1...substitution!"

Substitution?

The final word!

That kind of domineering and self-confidence to do what he said made everyone present stunned.

In a word, the province No. 1 will be replaced. How terrifying is this kind of existence?

Upon hearing this, Miao Qiaowei fell straight back, unconscious.

Lin Fan assisted Bai Yi to leave, comforting softly:

"My wife, stop crying."

Bai Yi nodded, nestled docilely in Lin Fan's arms, only feeling extremely contented in his heart.

If it weren't for Lin Fan, she was afraid that she would be carrying a shameless infamy.

After returning to the restaurant, Bai Yi pretended to be a troublemaker and didn't want to worry his parents.

"Why did you go so long and fell into the pit?"

Baishan's joking way.

Lin Fan and his wife just smiled.

At this time, the waiter delivered a hot dish.

"Hey, we don't have any more of this dish!"

Baishan doubted.

"This, this is because of the store celebration, so it is given."

The waiter said with an uneasy expression, as if hiding something.

But Lin Fan's family is also not skeptical, after all, it is common for stores to do activities.

After the family had finished eating, they asked Lin Fan to pick up the car.

"Good girl, don't you plan to tell Lin Fan the good news?"

Bai Shan asked jokingly, with a deep joy on his face.

Bai Yi suddenly looked shy and said:

"When he comes back in a while, I'll tell..."

However, she didn't finish her words, so her eyes were black and she fell straight back.
