

Chapter: 1602

“Are you a doctor or am I a doctor? I tell you clearly, the chance of your child being saved is almost zero. You are joking about your wife’s life!”

Ye Yuqing was on fire all of a sudden, she had seen too many scumbags like this, and in order to have an incense, she ignored her wife’s life.

Whoever followed such a man is really bloody.

Lin Fan can not be bothered with her nonsense, but gloomy warned:

“I just say one thing, if you dare to move my child with my permission, I want you to die!”

“you!”

Ye Yuqing’s face turned green with anger, his wife is like this, he still only thinks of his children, this guy is simply cold-blooded!

“Yuqing, what are you talking nonsense with him? Since he wants to kill his wife, let him go!”

A male doctor wearing glasses said harshly:

“Also make our primary doctor not die? You can try it! This is a municipal hospital. Do you know how serious it is to be a doctor here?”

“Believe it or not grab you go shooting?”

But Lin Fan didn’t eat his style at all, and sneered:

“What about the city-level hospital? If my wife and children have two shortcomings, I will let your hospital be closed!”

what!

The male doctor’s expression changed first, and then he smiled contemptuously:

“It’s up to you? Do you think you are the city leader? Or provincial number one?”

Other doctors are also sneer, like to hear a joke like.

Their city-level hospital has a history of a hundred years. It is a veritable government agency. Lin Fan said they were closed down?

This is really the most ridiculous joke they have ever heard!

“Zhu Wei, stop arguing.”

Ye Yuqing glared at Zhu Wei. Zhu Wei deliberately angered the patient’s family members like this would only make things worse.

Now the situation is important to persuade Lin Fan abandon keep the fetus.

just!

The male doctor named Zhu Wei looked at Lin Fan contemptuously and said aggressively:

“Since you insist on saving a stillborn child, then drag your wife away quickly and don’t die in our hospital bed. It is unlucky, it will ruin the reputation of our hospital!”

“I want to see, how many cattles you have, can bring a stillborn child back to life!”

Heard this!

Bai Shan and Shen Yumei were also panicked!

Puff!

At this moment, Shen Yumei directly knelt down to Lin Fan, crying and begging:

“Lin Fan, I’m begging you! Just listen to the doctor and save Bai Yi!”

“There will be children in the future. Our family will compensate you as a cow and a horse, okay?”

But her biological daughter!

It was a piece of meat that fell off her body!

How could she bear to watch her die?

“Ho ho, your mother-in-law doesn’t believe you when you see it!”

Zhu Wei laughed happily, and deliberately watched Lin Fan’s jokes.

At this point, seen here, too hurried Shenyu Mei Lin Fan arm up, smile:

“Mom, so many years, I thought what the Iraqi dialogue you do not know?”

“Do you think I will harm her?”

This...

Shen Yumei hesitated. Lin Fan’s efforts over the years are obvious to all.

As a great master, he was originally a god-level figure, and he was admired by all!

But for Bai Yi, willing to condescend to be a door-to-door son-in-law, this affection is of course needless to say.

“You really have a way to save them both at the same time?”

Shen Yumei looked at Lin Fan expectantly.

Lin Fan nodded firmly and said:

“Mom, believe me, there really is a way!”

just!

As soon as these words came out, Zhu Wei laughed extremely disdainfully:

“Just rely on you? Even our best group of doctors in the city are ruined. Do you think your genius doctor is reincarnated?”

Huh!

Lin Fan immediately swept away his cold eyes and stared at Zhu Wei:

“Don’t compare me with you rubbish!”
