

# Chapter: 1608

However, this is only the beginning!

Xuanmi Technology!

Fuchun Food!

Lotte Entertainment!

The heads of the local enterprises in Jiang City were forcibly taken away from their offices or homes and disappeared.

Throughout Jiang City, armed military vehicles came and went with great momentum.

Anyone with a discerning eye can see that they are offended people who shouldn't offend.

And at this time, in the drugstore, none of the elder brothers realized that they were in trouble.

Still yelling to Lin Fan rebelliously:

“Hey, I said dead poor ghost, who are you calling? We are almost impatient!”

Lin Fan sneered and looked at the talking elder brother:

“So eager to find death?”

“Fuck, you are looking for death!”

That young man suddenly became angry and wanted to come up and teach Lin Fan a lesson.

But right now!

An old man walked in from the door, walked in front of Lin Fan, and bowed respectfully:

“Mr. Lin, here I am!”

Ok?

Seeing this, everyone was taken aback for a moment, and then burst into laughter!

“Trash, is this the helper you got? An undead one?”

They are all laughing crazy!

This is too funny!

After doing it for a long time, this guy turned out to be an old man who had entered the soil. What's the use?

Call 120 for this waste?

“You call me immortal?”

Long Jiu's face suddenly sank, and he stared at the brother elder brother firmly. He lived this age, and no one would dare to call him immortal.

The other party's words directly offended Long Jiu to death.

These second generation ancestors, who can only eat and wait for death, usually only know how to eat, drink and have fun, and they don't even know such big people.

But the brother-in-law smiled contemptuously:

“It's wrong, I just told you to live forever, what's the matter?”

“I'm not dead, don't be nosy, or I will hit you all over the floor!”

Snapped!

However, when he said this, he received a slap in the face.

Immediately after the young man, he looked at the beater angrily, but after seeing the opponent's face, he was completely embarrassed.

“Dad, you... why are you here?”

The one who beat him was his biological father.

But now, his father's face is full of fear, and his face is as pale as paper, and he is almost scared to pee.

That face was completely distorted because of fear, and it looked particularly hideous and terrifying.

“You idiot, how dare you be rude to Old Long? Do you want to die?”

This dog who has eyes and no beads dared to talk nonsense.

Just this old man, but even he can not afford to offend, but just can not afford to offend the other party only needs one finger, will be able to press his family dead.

“What old man, dad, what are you talking about?”

After being slapped, the son Ge felt embarrassed in front of his friends and asked dissatisfiedly.

Snapped!

His father slapped him angrily again, and roared like crazy:

“Asshole thing, this old man is Elder Long, and he is the commander-in-chief of our Jiangnan Long Jiu!”

“You dare to scold him, are you trying to kill me?”

Wow!

His words directly shocked Jin Chengen and others, and their eyes were full of panic and shock.

Dragon... Dragon Nine?

The commander-in-chief of Jiangnan, holding one hundred thousand troops, can be called the top dignitaries in Jiangnan.

It turned out to be the old man in front of you?

No...impossible!

The expressions of Jin Chengen and others were suddenly gray, and they couldn't believe their ears.

Lin Fan, unexpectedly called the leader of a military region?

just!

The shock has just begun!

One after another outside, they stumbled and were pushed out by a group of sergeants.

“dad!”

“mom!”

“Why are you here?”

After seeing them, the rich second generations were all dumbfounded.

Because the people here are their biological parents!
