Chapter: 1623

boom!

Jin Chengen's eyes suddenly shrank, and his expression became extremely shocked.

Does this guy know?

This... how is this possible!

Could it be that Zhou Guodong betrayed himself?

damn it!

That traitor!

Jin Chengen suddenly gritted his teeth and vowed that after today, he will kill Zhou Guodong's wife and children and make Zhou Guodong pay the price!

It's just that he doesn't know that he can't live through today!

Soon, Jin Chengen regained his composure, and then looked at Lin Fan provocatively:

"I did it, but so what? The person who ordered me to do this is Lin Zhanli of the Lin family! If you dare to touch my hair, be careful that your whole family is dead!"

"Do you think you can bluff me by killing a few people? What a dream!"

He didn't believe that Lin Fan could still contend against the entire Lin Family by himself?

See it!

Lin Jianyi sighed, and then said quietly:

"Jin Chengen, do you know who I am?"

Today, he intends to have a complete showdown and let Jin Chengen

know how huge the gap between them is.

But Jin Chengen still looked extremely disdainful.

"Isn't he just a bad doctor? What's so great?"

Even if Lin Fan is really the genius doctor of Lin, there is no way to compare it with the big Lin family.

With Lin Zhanao supporting him, how could he be afraid of Lin Fan? Lin's doctor?

What about the genius doctor Lin?

Jin Chengen yelled with extreme disdain:

"Unless you are particularly Lin Zuo, Lao Tzu will not look at you directly."

When Lin Fan heard this, he laughed!

"So, you are not afraid of the genius doctor Lin, but Lin Zuo?"

Jin Chengen rolled his eyes suddenly and said in disdain:

"Don't be too nonsense, the Lin family's Shaolin Zhanao is about to arrive, and by that time, you may cry without tears!"

The Lin family is a well-known and prominent family in China, and it has a pivotal position in China. Lin Fan is just a doctor, even if he has some reputation, there is no way to compare with this behemoth.

In his opinion, Lin Fan was about to be frightened!

Hear the words!

Lin Fan's expression suddenly became cold, and he scolded angrily: "Palm!"

As soon as the voice fell, Jin Chengen's body was tight, feeling a fierce murderous intent to lock him.

Still waiting for him to react, there were a few more people in front of him, all dressed in military uniforms, fierce and vicious.

"Longya?"

Jin Chengen's pupils shrank fiercely, and from the clothing of the other party, they could see their identity and origin.

"What do you want to do? I tell you, I am working for the Lin family.

If you kill me, the Lin family will not let you go!"

Seeing these Longya members, Jin Chengen was completely panicked, and began to feel a little uneasy in his heart.

He couldn't understand how Lin Fan got involved with Longya's people.

Can a doctor order a troop?

Are you kidding me?

just!

Snapped!

Snapped!

His threat did not have any effect, Kou Jianghuai directly came up and gave Jin Chengen two big mouths.

He didn't show any mercy at all, so Jin Chengen's mouth was rotted,

and a few of his teeth were lost. He bleeds out.

Jin Chengen's tears came down, it hurts! That really hurts!

"I hit you, where is your patron?"

Lin Fan asked with a sneer.

"You...you are dead! Lin Zhanao will not let you go!"

Jin Chengen roared hysterically, just these two slaps, directly slapped him in the face like a pig's head.

"I'll call Lin Zhan'ao, Lin Fan, and your dragon teeth, wait for it to be done!"

As he said, he took out his cell phone in desperation and called Lin Zhanao for help.

"Instructor, everything is done, except for the ones hidden secretly, everything else is solved."
