

# Chapter: 1630

Kou Jianghuai and others were also at this time, Qi Qi pointed his guns at Jin Chengen and Lin Zhanao, with murderous intent on their faces.

Great momentum!

Lin Zhan'ao was in a daze at this time, and the killing intent rippling from Lin Fan's body made him extremely disturbed, which made him feel very unbelievable.

What exactly has Lin Fan experienced over the years to achieve such an enchanting evildoer?

Back then, the Lin Family swept Lin Fan out, but now he has shown the appearance of an emperor. For the Lin Family, such an existence is simply a nightmare!

And this time!

A hand was placed on Lin Zhanao's shoulder, and an old voice said:

"Sir, nothing! Today, we lost!"

The person who spoke was a highly respected master of the Lin family, and at this time there was a touch of helplessness on his face.

Because he has already noticed that the young man in front of him is not something they can deal with!

"I don't believe it! Isn't it the Grand Master? We also have three Grand Masters here, with strong soldiers and strong horses, and there are so many people, so we need to be afraid of him as a waste?"

Lin Zhanao was not convinced, how could he admit defeat at this time?

To admit defeat, doesn't it mean to roll back to Lin's house in a desperate manner?

If the Lin family were to know, not only would he not let Lin Fan return? The Lin Family even angered him further, so the Lin Family still had to strip him alive?

just!

The old man sighed and pointed in one direction:

"We have three people, but they also have three people!"

Lin Zhan'ao looked over in astonishment, and saw two ghostly figures hanging from the window, staring at them with a smile of righteousness and evil.

Black and white double evil!

I heard that Black and White Shuangsha betrayed the Lin Family and turned to Lin Fan, but I didn't expect it to be true!

Lin Zhanao's face suddenly became extremely ugly!

And the group of great masters behind him had already noticed this. Although the black and white Shuangsha broke one arm, it still should not be underestimated.

Moreover, Lin Fan is not a fuel-efficient lamp!

In the murderous aura that burst out from him, they already knew that no one of them could take Lin Fan.

This guy is a veritable genius among geniuses!

Lin Zhan'ao hated his teeth, he had never been so embarrassed before, and it was the wild species he gave birth to that made him lose face!

Hesitated for a moment!

After all, Lin Zhanao walked away from Jin Chengen with a gloomy expression.

See here!

Jin Chengen was completely desperate, did Lin Zhanao give up his rhythm?

What's the special situation!

Immediately, Jin Chengen went crazy and yelled at Lin Zhanao hysterically:

"Master Lin, you...what do you mean? There are three great masters by your side, do you need to be afraid of him as a trash?"

Hear the words!

Lin Zhanao's expression suddenly became very embarrassed, and he said embarrassedly:

"Sorry Xiaojin, Lin Fan is also a great master, and there are two great masters beside him, we really want to fight us too..."

"Don't worry, your family and our Lin family will take care of you, and we will do your funeral decently!"

boom!

Jin Chengen split immediately, Lin Fan is a great master?

He is not only Lin's genius doctor, but also a great master?

As a result, because Lin Zhanao was afraid of Lin Fan, he decided to abandon him?

"Lin Zhanao, I'm fucking your uncle!"

Jin Chengen screamed frantically, his eyes covered with bloodshot eyes, and he stared at Lin Zhanao with extreme resentment.

"It's because of you that I offended Lin Fan. Now you are sorry to let Laozi go and die?"

"You old immortal! Why do you play me like a monkey, and what kind of big-tailed wolf can you play? You said that you will save me no matter what, but are you really a turtle? You dog stuff, You must die!"

He wished to smash Lin Zhanao's corpse into ten thousand pieces.

Laozi's life is dead, do you say that I'm sorry it's a shame?

Jin Chengen is going crazy!
