

Chapter: 1636

Lin Fan is a Lin Zuo?

Lin Jiangchao was taken aback for a moment, then he burst out and laughed wildly.

“Long Jiu, why don’t you just say that that guy is the King of the Blood Prison?”

Lin Jiangchao laughed loudly and looked at Long Jiu contemptuously, obviously not believing his nonsense at all.

Lin Zuo?

Lin Zuo only started to succeed in the last year, and at that time Lin Fan was still his son-in-law, right?

Is your son-in-law Lin Zuo?

The Chinese military will find such a waste as a military seat, unless they have a problem with their brains!

Don’t think that you can become a Lin Zuo if you have a great master. China has never lacked a great master.

Looking at the entire China, which of the four armies is not enough to kill the great master?

At their level, it should be called the top!

How old is Lin Fan?

At the age of twenty-something, extremely?

It’s ridiculous!

But at this time, Long Jiu just smiled:

“If I tell you, he is also the King of the Blood Prison?”

Ok?

Lin Jiangchao was startled at first, and then laughed more loudly:

“Long Jiu, I don’t think you are starting to talk nonsense in order to survive. Do you think you can fool me with these few words?”

In his opinion, this must be a lie deliberately fabricated by Long Jiu trying to survive!

but!

Just wanting to fool him with these few words, is it too small to look down on him, right?

And Ouyang Hua also sneered contemptuously:

“I thought your dragon family really wasn’t afraid of death. I thought that you were so prosperous and even lied that Lin Fan was the Lin Zuo. Do you think that we would be afraid?”

Lin Fan is a Lin Zuo?

King of the Blood Prison again?

This is ridiculous!

Long Jiu sneered:

“Whether it is true or not, you will know soon, but there is one thing! That is, since you stepped into Jiangnan, you have been a dead person!”

what!

Seeing Long Jiu’s almost crazy smile, Lin Jiangchao immediately exploded his head. They were not bluffing themselves, is this true?

Lin Fan, is it really Lin Zuo?

The legend who created the Dragon and Tiger Legion in one hand!

Thinking of this, he also had a vague premonition in his heart!

Must fight quickly!

Since Lin Fan already knew that he was in Jiangnan, if he really was Lin Zuo, he would probably have no return.

At the moment, he was grinning and staring at Long Jiu with evil intentions:

“Thank you for reminding me, now I will kill you two, and then escape from Jiangnan!”

just!

As soon as his words fell, a ridiculous voice rang out throughout the abandoned factory:

“Unfortunately, you have no chance!”

what!

Lin Jiangchao’s expression changed wildly, and he turned his head in horror. Then he saw a man with an arrogant expression, striding in.

“Lin Fan?”

Lin Jiangchao’s pupils suddenly shrank, and an ominous premonition suddenly appeared in his heart.

And Ouyang Hua also hurriedly protected Lin Jiangchao behind her, looking at Lin Fan very nervously, the younger generation was already sweating

Lin Fan looked at Lin Jiangchao with a smile:

“Lin Shao seems to be very repulsive about me being Lin Zuo?”

Hear the words!

Lin Jiangchao gritted his teeth and roared:

“Do you want to bluff me? Just relying on rubbish like you, how could it be Lin Zuo?”

“You want to scare me, it’s not that easy! Ouyang Hua, kill him!”

impossible!

He definitely cannot be Lin Zuo!

This rubbish, he was swept out by the Lin family ten years ago. Only ten years ago, he reached the peak of power and became one of the four major military seats in China. How could this be possible?

No one can have such luck!

Lin Fan and the others must be frightening themselves with mystery.

He can’t have this ability!

Ouyang Hua’s eyes showed fierce light, and his figure looked like a ghost, and he directly rushed towards Lin Fan.

Upon seeing this, Lin Fan sneered, his expression extremely disdainful:

“Is the great master of the Lin family so worthless? One after another to die?”

“Asshole!”

Ouyang Hua jumped into a thunder, and this still didn’t start to fight, Lin Fan said he was here to die?

This is looking down on him!

Treat him as trash!

At the moment, he was murderous, and the fist that blasted out was even more powerful and domineering.

With this punch, he was about to kill Lin Fan on the spot!
