

Chapter: 1640

Ok?

Lin Fan frowned, a trace of anger appeared in his eyes, staring straight at Zhou Junyu.

“Why don’t you feel convinced?”

In his heart, Li Xunran was already regarded as his own wife, Lin Fan dared to humiliate her, that is, not giving him Zhou Junyu face.

In Jiang City, he couldn’t help Lin Fan, but when Lin Fan came to Zhou Junyu’s realm, the dragon would lie down for him and the tiger would lie on his stomach, or else he would make Lin Fan unable to eat!

In his opinion, it is a matter of minutes to clean up the turtles in a small place.

“Zhou Junyu, don’t mess around!”

Li Xunran was immediately anxious, and quickly stepped forward to stop him.

Ok?

Right now, Zhou Junyu’s complexion didn’t look good. It was the first time he saw Li Xunran, who was indifferent by nature, caring about a person so much.

“Xunran, this guy humiliates you so much, and you care about him so much, don’t you like him?”

“You fart!”

Li Xunran’s face suddenly turned red, this idiot, she was obviously saving Zhou Junyu’s life.

Because she knew that Lin Fan was far from as simple as he seemed.

This guy is not ordinary. If he provokes him, he will kill every minute.

“Since you don’t care, then I beat him, you shouldn’t care, right?”

Zhou Junyu grinned, and at the same time stared at Lin Fan maliciously. This was taking Lin Fan as a soft persimmon that he could handle at will.

“Zhou Junyu, don’t mess around, you can’t afford this man!”

Li Xunran said with an ugly face, the Lin family tried every means to kill Lin Fan. What happened?

The three Lin family elders who had high hopes all died in Lin Fan’s hands.

Zhou Junyu finally has a bit of background, and there is no way to compare it with those three geniuses. Even those three geniuses have become Lin Fan’s defeaters. Zhou Junyu is a fart?

however!

When Zhou Junyu heard this, he was furious, feeling that his dignity as a man had been severely provoked.

At the moment, he said angrily:

“Really? Then I have to provoke me!”

There are really not many people he fears in the imperial capital, and there is no Lin Fan among them!

“Li Xunran, are you a bit exaggerating? How much can a turtle from the countryside have?”

“That’s right, this is the imperial capital of Crouching Tiger, Hidden Dragon, even if he is a bit capable in Jiangshi, he has to kneel when he arrives in our imperial capital!”

“In the imperial capital, we four little fortunes have never been afraid of anyone!”

And Zhou Junyu’s friends all said with contempt.

See it!

Li Xunran shook his head, a damn ghost that was hard to persuade, and she didn’t say anything at this time.

Because she knew it was useless, Zhou Junyu was determined to find death.

Right now, Zhou Junyu looked at Lin Fan triumphantly:

“Are you deaf? I want you to kneel down and apologize immediately!”

The expression on that face instantly became ferocious!

Lin Fan frowned, and his voice instantly fell cold:

“Are you sure you want to die?”

He came here to deal with the Lin family, and he was in the mood to take care of Zhou Junyu’s small role, but if Zhou Junyu must die, then he wouldn’t mind giving Zhou Junyu a profound lesson.

what!

As soon as the voice fell, Zhou Junyu and others were shocked.

They have been in the imperial capital for so many years, and no one has ever dared to look down upon them so much.

Dare to threaten Zhou Junyu?

This is too arrogant!

As if he could cause Zhou Junyu to die tragically at any time, his tone was not ordinary madness.

For a moment, Zhou Junyu was also unhappy, the hostility in his eyes became more intense, and he said angrily:

“Boy, don’t be shameless! If I want to kill you, it’s a matter of minutes.

If you don’t agree, I will make you unable to leave the capital, do you believe it?”

Simultaneously!

His gaze fell on Bai Yi beside Lin Fan, and he suddenly laughed lewdly:

“However, if you let the beauty next to you stay with me all night, I can consider letting you go!”

Huh!

Li Xunran’s body suddenly tightened, as if he had seen a ghost alive!

Zhou Junyu, an idiot, completely stepped on thunder!
