

Chapter: 1642

Ok?

Lin Fan frowned. The boss of the Zhou Group is Yao Lao's disciple. He hadn't noticed this.

But for Yao Lao, Lin Fan still respects from the heart, he is a great man who has devoted his life to revitalizing Chinese medicine.

Looking at the entire Huaxia, there is no doctor who does not respect him.

Lin Fan hesitated, then stared at Zhou Junyu sharply:

"You are lucky, but there is no next time!"

Zhou Junyu nodded fiercely like a chicken pecking at rice. At this time, he didn't even have the courage to refute.

Then, Lin Fan released Zhou Junyu. Zhou Junyu coughed violently. He couldn't even stand still, and he fell to the ground with a thump.

His whole body was shaking uncontrollably, and he knew that if Li Xunran didn't speak for him, this lunatic would really be able to pull out his tongue.

Seeing Zhou Junyu's prosperous appearance, Li Xunran's eyes became more contemptuous.

If you don't have the ability, you still have to pretend to be coercive, and in the end, you take your own humiliation. I really think that everyone in the world is your father, and everyone has to get used to you?

just!

At this moment, a group of people walked in from outside the door. Everyone was quite powerful, and at first glance they were a figure pointing the country.

The moment they saw them, the expressions of everyone present became interesting.

This time, there is a good show!

And the moment Zhou Junyu saw the group of people, it was as if he had seen his patron, and he roared very bitterly:

"Dad, save me!"

The moment Li Xunran saw the other party, Li Xunran's heart also shook. Why did this happen again after another?

The visitor is not someone else, but Yao Lao's big disciple Zhou Botong!

Zhou Botong is over half a hundred years old, and relying on the tiger skin of Yao Lao, he has been mixed in the Chinese medicine industry, and many big men have a lot of friendship with him.

And he is a famous person who protects shortcomings, otherwise he wouldn't develop Zhou Junyu's domineering personality.

Lin Fan labeled Zhou Junyu like this, and Zhou Botong would definitely not give up.

I'm afraid that something big will happen now!

Hearing Zhou Junyu's call for help, Zhou Botong frowned and swept over. When he saw his son's tragic situation, his face instantly became gloomy.

"What happened?"

He asked sternly, as if to eat people.

Upon seeing this, everyone looked at Lin Fan with pity and hit Zhou Boxong's son. Lin Fan was afraid that it would be difficult to fly.

No matter how big his background is, he is inevitable.

At this time, Zhou Junyu pointed at Lin Fan bitterly:

"It's him, it's all this bastard, he beat me like this! Dad, I want his life, you help me kill him!"

Zhou Junyu is hateful and mad. As the young owner of the Zhou group, he loses face in front of so many people. More importantly, he loses face in front of the woman he likes. How can he endure this?

If he doesn't kill Lin Fan, he will not give up!

"Zhou Junyu, you!"

Li Xunran was so angry. He just interceded for him, but now Zhou Junyu turned his face and didn't recognize anyone. Isn't this slap her in the face?

Besides, is Lin Fan annoying?

Even if you call in, I can deal with him?

Maybe they will even tidy up with you Lao Tzu.

Li Xunran felt more and more that Zhou Junyu was an idiot with no brains, and finally got his life back, but he had to continue to die!

This time, there is no way to end well!

When Zhou Botong heard this, he also looked at Lin Fan, and when he saw that the other party was a stinky yellow-haired boy, he was taken aback.

Then he rubbed his eyes, an angry, nasty voice appeared in his eyes:

"This little brother, I don't know which one comes from?"

A young man dared not to give him Zhou Botong's face and hurt his son on his ground?

Lin Fan glanced at him and said with an indifferent expression:

"No power and no power, just duckweed and weeds!"

what!

Zhou Botong smiled immediately, but his smile was full of ferocity and cruelty:

"Since you have no power and power, and you dare to hurt my son, don't you put me Zhou Boxong in your eyes?"

Originally, he thought that Lin Fandan's arrogance must come from a prominent family, but turned out to be a powerless little person?

Duckweed and weeds are extremely cheap!

Do you dare to hurt his son like this?

Is this looking for death?

Lin Fan raised his head and looked at him, but there was a sneer of disdain at the corner of his mouth:

"I really don't put you in my eyes!"
