

Chapter: 1646

A bloody tongue fell on the ground, and Lin Hongtu finally paid the price for the smell of his mouth.

Seeing this, Zhou Botong suddenly gritted his teeth, and a deep hatred appeared in his eyes.

I can't wait to break Lin Fan's body into pieces!

But he knew that he couldn't attack at this time, so he could only attack his opponent harshly:

“Take Lin Hongtu to the doctor!”

Then, he said to Lin Fan coldly:

“Mr. Lin, I have something to do, let's take my leave first!”

Seeing Lin Fan's reasoning, Zhou Botong looked ugly and prepared to leave.

But when I arrived at the door, I ran into another group of people. The other group was surprised to see Zhou Botong, and asked with a smile:

“Xiao Zhou, you have to leave no matter what, this banquet is not good for you!”

Seeing the other party, Zhou Botong also bowed respectfully and praised:

“Old Lin!”

The person in front of him is Lin Hongtu!

“Master Lin is this?”

Lin Hongtu was surprised when he saw Zhou Junyu who was covered in blood.

Zhou Botong answered with an ugly face:

“The dog offended Mr. Lin, so he was injured.”

Mr. Lin?

Lin Hongtu was taken aback for a moment, and then he looked at the scene, and then his gaze fell on Lin Fan's body.

In an instant, Lin Hongtu and others understood everything, and a sharp look suddenly appeared in their eyes:

“Mr. Lin you are talking about, isn't it him?”

Upon hearing this, Zhou Botong couldn't help being stunned, and then immediately understood what he asked:

“Old Lin knows this person?”

A sneer appeared at the corner of Lin Hongtu's mouth:

“How can you not recognize the wild species that my Lin family expelled?”

what!

Upon hearing this, everyone present suddenly changed their expressions. Is this guy the Lin family?

They suddenly remembered that the Lin family did sweep an illegitimate child out of the house four years ago. Could it be the kid in front of him?

Oh my!

In ten years, the abandoned youngster of the Lin family became a great master and killed his three brothers?

Is this guy here for revenge?

At this time, Lin Hongtu patted Zhou Botong on the shoulder and said:

“Don't worry, I will be the master for you today and will not let your son be bullied in vain.”

This statement came out!

The audience was in an uproar!

Is Lin Hongtu going to stand up for Zhou Botong?

Then, Lin Hongtu led a group of people and walked towards Lin Fan.

Seeing this, everyone in the audience suddenly showed a playful smile.

Wouldn't it be a fratricidal scene about to be staged today?

And Zhou Botong on the side was also crazy. He didn't even think that Lin Fan and the Lin family would have such a deep hatred, and would not hesitate to kill him?

right now!

If the Lin family gave him a head, this bastard is still alive?

Lin Hongtu looked at Lin Fan condescendingly, with disgust and hatred in his eyes, and said solemnly:

“Kneel down and apologize to Xiao Zhou!”

It's a tone of command!

Bai Yi on the side looked ugly and uneasy. She knew that the relationship between Lin Fan and the Lin family was not good, but she didn't expect it to be so severe.

A look that can't wait to put the other party to death!

But Lin Fan raised his head, glanced at Lin Hongtu faintly, and uttered an astonishing word:

“roll!”

boom!

The atmosphere of the audience seemed to be ignited at this moment!

Everyone was horrified!

Lin Fan actually let Lin Hongtu roll?

It's too much to let the dignified Lin Family Patriarch go away, right?

“Little beast, do you dare to talk to your grandpa like this? I think you want to die!”

Lin Zhanli suddenly cursed and pointed at Lin Fan's nose with an arrogant look.

It's not the same if someone is backing up. At this time, facing Lin Fan again, he behaved like a different person from before.

But Lin Hongtu stopped Lin Zhanli, and then smiled unkindly:

“What's your anger with a dead person?”
