

Chapter: 1651

No need to speak too much!

Lin Hongtu's words have already expressed his attitude.

Lin Fan, must die!

Otherwise, the Lin family will become the laughing stock of the entire China!

“go!”

Lin Hongtu roared and took his resentful younger brother and left the meeting place.

And this time!

Zhang Jianjun also took a deep look at Lin Fan, and a touch of ridicule appeared at the corner of his mouth.

As if looking at a dead person!

but!

Lin Fan still smiled brightly, as if he had never been so happy in his life.

Bai Yi's face was pale, and he only felt how strange Lin Fan was at this time.

Killing someone, he can still laugh?

What has Lin Fan experienced? What kind of person he was originally.

“Brother Lin, you are too impulsive! How can you humiliate Lin Hongtu in public? You may not be able to leave the imperial capital now.”

Old Yao sighed, looking worried.

Lin Fan is simply a rare genius in the Chinese medical field in a century.

If he died like this, it would be a great loss for Chinese medicine.

Now that Lin Hongtu had put aside his cruel words, he would definitely not give up. Even if Lin Fan was a great master, he would not be able to escape this catastrophe.

But Lin Fan said softly and relievedly:

“Lao Yao, please rest assured, since I dare to come to the imperial capital, I am naturally fully prepared. The Lin family can't hurt me.”

Ugh!

Old Yao sighed, and could only nod his head:

“I hope so!”

He has made up his mind, and this time he will arrange manpower when he goes back, use all his methods, and vowed to save Lin Fan to the death.

Then, he pulled Li Xunran over and said at the same time:

“This is my youngest disciple. You two young people are so close. If you need my help in the future, just ask her to contact me.”

Li Xunran twisted and stretched out his hand, ready to shake hands with Lin Fan.

But at this time, Bai Yi took the lead in holding Li Xunran's hand and said with a smile but a smile:

“I think it's fine for me to get close to Miss Li. After all, my husband is not in Xinbai's family and it doesn't matter.”

This...

Old Yao was stunned, and looked at Lin Fan beside him with a stupefied expression.

And Lin Fan also laughed dumbfounded, is this woman jealous?

Bai Yi is indeed jealous. The former Lin Fan was a family cook, so she naturally didn't worry about it.

But now that she knew that Lin Fan was the Great Master, she was always worried that Lin Fan would let other women take it away.

And this Li Xunran, the figure and appearance are not inferior to her, how can Bai Yi not be wary of it?

Only then did Yao Lao react, and then laughed loudly:

“Same, all the same!”

follow closely!

All the doctors and deans present hurriedly stepped forward to talk to Lin Fan and his wife, their faces were filled with flattery and flattery.

In their view, young people who deserve to be treated so seriously by Yao Lao must have a great future.

Don't fawn at this time, but when will you stay!

In the middle of the night, the banquet finally ended!

Yao Lao asked Li Xunran to provide accommodation for Bai Yi and Lin Fan and send them to the pre-arranged accommodation.

just!

After the driver drove for half an hour, they entered a block!

“It's strange. Yuanyang Street used to be overcrowded at this time.

Why is it so quiet today?”

Li Xunran looked at this street suspiciously. This is the famous street of the emperor. Every time it is hot, there are people everywhere!

But today, it is surprisingly sparsely populated!

But at this moment, Lin Fan sneered, staring at the driver with a playful expression:

“Master, you shouldn't have to go through Yuanyang Street to get to the hotel, right?”

moment!

The atmosphere has dropped to freezing point!
