

# Chapter: 1658

After he finished speaking, Lin Fan stopped saying more, and his figure instantly disappeared from Lin's house.

Puff!

When Lin Hongtu saw Lin Fan's departure, he suddenly seemed to be out of strength, sitting on the ground heavily.

The expression has been completely distorted.

It was too late indeed. He should have listened to what Lin Jiang said and begged Lin Fan to return to the Lin family.

But now, they completely angered the devil!

Instead, it was him, after being assassinated one after another, I was afraid I couldn't forgive him.

He created all of this with one hand!

puff!

In the next instant, Lin Hongtu suddenly became anxious, his face flushed and spit out a mouthful of blood, and then he passed out.

"Dad! What's wrong with you! Come on! Come on!"

Lin Zhanyu's eyes were tearful, and he roared hysterically.

The entire Lin family is desolate!

.....

And this time!

Lin Fan also returned to his residence. When he walked into the hotel covered in blood, if it weren't for an advance call from the superior, the front desk and door guards were almost scared to call the police on the spot.

Lin Fan returned to the room with Bai Yi and Li Xunran sitting worried.

After seeing Lin Fan's blood covered appearance, the worry in Bai Yi's eyes instantly turned into fear.

The strong smell of blood constantly leaked from Lin Fan's body, making her feel nauseous.

Li Xunran glanced at Lin Fan, whose eyes were hollow, and then at Bai Yi who was uneasy, and sighed:

"Talk to you, I'm leaving now!"

At this time he also knew that these two people needed time to be alone.

Lin Fan also needs to explain something to Bai Yi!

After she left, Bai Yi asked with a complicated expression:

"What did you do to them?"

"I killed them!"

Lin Fan's expression was chilling.

It's as simple and casual as saying that an ant was trampled to death.

His reaction made Bai Yi very uncomfortable and also felt very scared.

"Why are you doing this?"

Bai Yi's voice was already crying, she didn't hope that her man was a murderous madman.

An executioner with blood on his hands!

Lin Fan still looked indifferent and replied:

"Because I don't kill them, they will kill me, kill the people I care about.

This is the world I have lived in since I was a child, and the cannibalism is happening every day."

"In order to survive, sometimes it is necessary to abandon something, such as human nature!"

Bai Yi was speechless, she never knew that Lin Fan had such a cruel experience.

What kind of darkness was filled with his past!

Looking at Lin Fan's hollow eyes, she felt heartache inexplicably. Lin Fan must have experienced unimaginable pain in her past.

As a wife, she didn't know at all.

Even more!

In the past, she would only complain that Lin Fan was a trash, and never really cared about him.

At this time, Lin Fan could clearly feel Bai Yi's alienation and fear towards him.

The expression on that face finally changed, and he smiled bitterly:

"I know that you have no way to accept this kind of me. Who would accept that his lover is a murderer?"

"Don't worry, I will complete the divorce procedures when I return to Jiang City. It's getting late, so you can rest early!"

Finished!

Lin Fan slowly exited the door, planning to close the door and leave.

just!

The moment he turned and was about to leave, a soft body slammed hard on his back.

Bai Yi hugged his waist tightly, already crying, and said in a choked voice:

"Don't go! Please don't go!"

"I don't care who you are, I don't care how many people you kill, I only know that you are my Bai Yi's husband!"

"If you are a devil, then I will become a witch!"
