

Chapter: 1659

The next day, Li Xunran came to Lin Fan's door and saw that Lin Fan and Bai Yi were reconciled as before, but she, who should have been happy, didn't know why she was a little lost.

"Something wrong?"

Lin Fan asked.

Li Xunran cleared up his mood and took the initiative to speak:

"What did you do last night?"

Lin Fan was stunned for a moment, then asked with a smile:

"What did I do?"

"You still pretend, now the entire emperor capital has fallen into chaos!"

Li Xunran turned Lin Fan so angry, she never thought that the emperor would completely collapse because of one person.

What terrible energy is hidden in this guy's body?

From last night so far, the Lin family's stock has evaporated more than 300 billion, and this number is still rising.

Now the entire imperial capital is a complete sensation!

Everyone was terrified. What kind of existence could make a business empire that had been standing for hundreds of years completely collapsed overnight!

Now the entire imperial capital is frantically looking for Lin Fan's whereabouts!

All the heroes now want to surrender at his feet!

An existence that can overthrow the Lin Family overnight, if it can follow such an existence, the future will definitely be unlimited!

"All the industries and forces under the Lin Family, closed and closed, against the water, they look like a tree collapsed and scattered."

"What the hell did you do?"

Li Xunran was very curious about what shocking things Lin Fan had done that could cause such a terrifying chain reaction.

"I?"

Lin Fan smiled and said:

"I just let the world know that the Lin Family is not invincible!"

"And I, Lin Fan, may not be weak in strength!"

Now, all the forces that were loyal to the Lin family have become rebellious since they knew what happened last night!

in fact!

It was also for fear that they would offend Lin Fan and bring them themselves to annihilation.

Therefore, one by one directly chose to counter the water and embezzled the Lin family's property on a large scale. Today, the Lin family has been defeated.

And hearing Lin Fan's domineering remarks, Li Xunran was completely dazed.

Sure enough, because of this guy!

What happened last night!

The Lin family, who was in the midst of the sky, was completely depressed overnight. This is simply a fantasy.

"You came to me today, wouldn't you just ask about this?"

Lin Fan asked with a smile.

And Li Xunran suppressed the shock in his heart, and said:

"Master, his old man asked me to take you around the imperial capital and appreciate the local customs!"

"You pack your clothes and go with me!"

Lin Fan glanced behind him and said:

"I'll go with you, my wife wants to have a good rest today."

Last night, Bai Yi was frightened all night and cried all night, Lin Fan really couldn't bear to disturb her.

And now, he has also planted manpower around the hotel, and he is not afraid that the Lin family dare to jump over the wall to make trouble for him.

after that!

Lin Fan followed Li Xunran around in the imperial capital. Lin Fan also knew that Yao Lao must have something to do with him, so Li Xunran personally invited him.

And this matter is not convenient for Bai Yi to know.

"When will you take me to see Yao Lao?"

Finally, after walking a few times boringly, Lin Fan couldn't help asking.

Ok?

Li Xunran suddenly looked at Lin Fan in astonishment:

"How did you know that Master asked me to show you to him?"

Lin Fan sighed and said with a smile:

"You are like a headless fly that took me around all morning, and when I arrived at the scenic spot, I gave a few words casually, looking absent-minded."

"I think Yao always asks you to trick me out first, because he knows that if he tells the truth from the beginning, I will never come out with you."

boom!

Li Xunran felt like he was about to explode.

She finally understood what it means to be wise as a demon!

Such a guy with dual online force and intelligence, did the Lin family ruthlessly abandon him back then?

Did their brains let the donkey kick it?

Immediately, Lin Fan smiled and asked:

"Let's talk about it, why is Yao always looking for me?"
