

Chapter: 1663

Li Xunran knows very well that the reason why Lin Fan is willing to suffer humiliation now is not because of his good temper, but because he is holding back big moves!

Now, Huo Dongying and others have done it first, so even if they get to her master in a while, these idiots will have to admit their guilt!

However, Huo Dongying and Liu Xi were not aware of the seriousness of the problem at all!

One by one burst into laughter, and there was a lot of pride and arrogance on his face.

“Hahaha, Lin Fan, I make you arrogant, can you give me another arrogant try?”

Liu Xi laughed wildly, just feeling extremely happy in her heart. call!

At this time, Lin Fan seemed to be troublesome, smiled and let out a long sigh of relief, and then dried all the drinks on his hair.

Still casually said:

“In this case, the show can begin!”

what!

Hear the words!

Huo Dongying and others changed their expressions and looked at Lin Fan in disbelief.

Now that this guy can still laugh?

Is this crazy?

Everyone looked puzzled. In their opinion, Lin Fan had lost his mind.

Everyone started talking nonsense!

“Being so humiliated, you can still laugh, you are really shameless!”

Liu Xi said with a look of contempt. At this moment, she felt like a fist hitting the cotton, and her heart was particularly uncomfortable.

This guy is not angry?

“If you don’t have self-esteem, how can you be a door-to-door son-in-law and eat soft rice?”

Huo Dongying also followed sarcastically, and then looked at Lin Fan condescendingly:

“While I still don’t change my mind, hurry up and kneel down!”

just!

As soon as the voice fell, Liu Qing walked out and said to everyone:

“Everyone, this meeting is about everyone, Yao Lao hopes that you can also participate!”

Wow!

There was a sudden uproar in the audience, and everyone’s faces were full of incredible disbelief!

Yao Lao, let them join the meeting?

Oh my!

Are they dreaming?

Just these yellow-haired boys, how can they be qualified to be in the same room with Yao Lao?

Is this the sun coming out from the west today?

At the moment, Huo Dongying and others were ecstatic, one by one, as if they were beaten with blood, with a strong expression of excitement on their faces.

Then they quickly adjusted their appearance, and then followed Liu Qing’s footsteps and walked towards the conference room.

Huo Dongying also stared at Lin Fan coldly:

“Fortunately for your kid, after I meet Yao Lao, I will clean up your dog’s stuff!”

With that said, he walked towards the meeting room enthusiastically!

But Li Xunran shook his head and sighed, watching Huo Dongying and others leave as if watching an idiot.

follow closely!

She came to Lin Fan and asked:

“How are you going to treat them?”

Lin Fan glanced at her and sneered:

“Then you have to see how your master arranges for me!”

And this time!

In that conference room!

Yao Lao announced his main goal of this meeting to all the bigwigs.

Zhou Botong and Zhang Jianjun were naturally also on the court!

Huo Dongying and other younger generations stood behind their parents one after another, looking at the old man Yao who was sitting firmly on the chairman’s board with a look of admiration.

“Coming today, I am going to transfer the post of President of China Medical Association to one person!”

Yao Lao took the initiative to speak.

As soon as these words came out, Zhou Botong and Zhang Jianjun’s expressions suddenly changed!

Zhou Boxong was so happy that his master called him here today. Is it possible that he intends to let him inherit the post of president?

It must be so!

Although Li Xunran liked Yao Lao the most, he was too young and had little qualifications to hold such an important position.

On the side, Zhang Jianjun looked extremely ugly, because the position of president of the China Medical Association had always been his part-time job.

Yao Lao took it back at this time. Wasn’t this trying to slap him in the face on purpose?

Right now, Zhang Jianjun looked at Yao Lao dissatisfied:

“Lao Yao, what do you mean?”
