

Chapter: 1677

Just because of the contact during this period of time, Xu Yourong put another label on Lin Fan, that is...like to talk big!

Xu Yourong looked at Lin Fan contemptuously:

“I have already spoken to Zhang Jianjun from Washington Pharmaceuticals, and he will introduce me to Genius Doctor Lin, which means that it won't be long before I will see his true face.”

“Even if you want to pretend, you can't pretend!”

And Lin Fan still just smiled, without squeaking!

Xu Yourong snorted coldly, got up and went to the bathroom.

In my heart, I was even thinking about how to dismantle Lin Fan and Bai Yi in order to save my poor cousin!

And coming out of the bathroom, Xu Yourong saw someone he didn't want to see in his entire life!

Huo Dongying!

Being her suitor can also be called her benefactor!

“You Rong, it's really you? When did you come back, why didn't you tell me?”

Xu Yourong's expression suddenly became awkward, and then he said perfunctorily:

“Just arrived today!”

Oh!

Huo Dongying responded indifferently, then stepped forward and grabbed Xu Yourong's hand, and said softly:

“You come back this time, are you planning to marry me?”

Hear the words!

Xu Yourong suddenly looked like a frightened little white rabbit. He stepped back in horror, his eyes flashing and said:

“Huo Dongying, you are a good person, but I have already said before, we are not suitable!”

what!

Huo Dongying's expression changed drastically in an instant, the tenderness on that face was swept away at this instant, and then a thick hatred and murderous intent appeared!

He looked like a crazy jackal, staring at Xu Yourong ferociously:

“Our family sponsored you to study and to go abroad. Is that how you repay us?”

“Xu Yourong, you ungrateful bitch, do you know that our Huo family is about to go bankrupt, so you changed your mind!”

now!

The Huo family was hit hard and was on the verge of bankruptcy!

Huo Dongying's life is naturally not easy. At this time, the woman he likes also betrays him. How can they accept this?

Hearing Huo Dongying's blatant insult, Xu Yourong's expression also changed, and then he sighed and said:

“Huo Dongying, I hope you calm down, I don't even know what happened to your family, and I told you a long time ago that I don't have any feelings for you!”

“As for the ungratefulness you said, how much business I have solicited for your Huo family overseas for so many years? You have earned 10 billions, right? Is this not enough to pay for your kindness?”

original!

Because of his poor family, Xu Yourong couldn't even pay the tuition for school. Huo Dongying's father happened to participate in the charity program, so Xu Yourong was selected as the target of poverty alleviation and subsidized her to go to university.

As a result, when he was in college, Xu Yourong showed amazing business acumen, earning 100 million for the Huo family in one month.

Afterwards, Huo Dongying's father knew that he had picked up the treasure, and spent a sum of money to let Xu Yourong continue to study abroad, hoping that Xu Yourong could help them when they returned from the Huo family.

And Xu Yourong did not let them down. Over the years overseas, he also missed the kindness of the Huo family. He used his spare time to wander around in various circles and recruited one partner after another for the Huo family.

This kindness has already been paid off!

It was Huo Dongying who was unwilling to give up and had been pressing hard on her and was about to marry her home as his wife, but the problem was that Xu Yourong had no feeling for her at all.

Just listen to this!

Huo Dongying instantly seemed to have been stepped on his tail, completely blown up:

“Not enough! Of course not enough! You owe us the Huo family, and you can't afford it in this life!”

“You bitch, you dare to betray us, I want you to die!”

At the moment, Huo Dongying commanded his bodyguard:

“Get this bitch up for me!”

what!

Xu Yourong's pretty face suddenly changed, and the whole face was bloody in an instant, and he shouted to Huo Dongying in horror:

“Huo Dongying, what do you want to do? I warn you, don't mess around!”

“do what?”

Huo Dongying laughed lewdly, and then said maliciously:

“Then naturally let you be my woman. I just booked a room. We will go up and have a good time in a while!”

Huh!

Xu Yourong's body trembled fiercely, completely desperate at this time! however!

Just when Huo Dongying's bodyguards were about to take action, she suddenly thought of something and screamed:

“Don't mess around! I'm having a meal with Doctor Lin today!”
