

Chapter: 1681

Ouch!!

Immediately afterwards, the bodyguard captain screamed like a pig!
what!

Seeing this, Ouyang Feifei and the others were almost scared to pee.

How could this be possible?

This captain was once a winning general in the black market boxing arena. In the past, he used to knock others out, but today he was knocked out by others?

Everyone looked at Lin Fan with horror. What kind of monster is this guy?

Can it be so strong?

“Trash, unused trash! I pay you such a high salary every month, but you have no use at all!”

Ouyang Feifei coldly hummed, and then ordered the other bodyguards:
“Go on!”

Hearing this, the bodyguard captain was about to vomit blood immediately.

Originally wanted to perform well in front of Ouyang Feifei, but she didn’t expect to lose face and let Lin Fan break his leg.

The gain is not worth the loss!

Bang bang bang!

But after that, all the oh-oh-watches on the scene were blasted out, and fell to the ground and groaned in pain.

Looks like anguish!

Ouyang Feifei was completely frightened. This added up to seven or eight bodyguards, but in the blink of an eye, Lin Fan fell all over?

And just now!

Lin Fan walked towards Ouyang Feifei step by step, and then a thick murderous intent appeared on his face!

Obviously at this time, he was completely angered by Ouyang Feifei.

Seeing Lin Fan’s fierce appearance, Ouyang Feifei suddenly panicked, and said in horror:

“You...what do you want to do? I tell you, I’m a big star, if you dare to touch my hair, I will let you sit through the prison!”

Faced with her threat, Lin Fan just sneered, and then...

A slap hit her face, almost slapped her semi-permanently.

Ouyang Feifei staggered back a few steps, and then slumped down on the ground, her expression completely astonished.

This poor ghost really dared to beat her?

at this time!

Lin Fan stared at Ouyang Feifei coldly:

“This slap is a warning!”

“If you don’t know how to live or die, I don’t mind ruining you!”

In his capacity, if you want to destroy Ouyang Feifei, a small star, that is a matter of minutes!

just!

How could Ouyang Feifei hear it? At this time, she just wanted to smash Lin Fan’s body into pieces.

This dead and poor ghost, he dared to beat himself, even arrogantly saying that he would destroy her?

What a joke!

An office worker from Washington Pharmaceuticals, how could he have such a big tone.

“Besides, you can go! Because the matter of DCP’s choice of your contemporary spokesperson, it’s gone!”

what!

Ouyang Feifei’s eyes were staring out, and she looked at Lin Fan strangely:

“You say you are in the soup, you are in the soup, who do you think you are?”

How could this guy be so funny?

This tone is as loud as farting!

Lin Fan didn’t care about the other party’s contempt, just sneered and nodded:

“Yes, I said that if you go to a bath, you will go to a bath!”

After that, he just ignored Ouyang Feifei, an idiot, and left on his own.

But as soon as Lin Fan walked away, a woman walked over in stride, and she was shocked when she saw Ouyang Feifei’s tragic situation.

“Ouyang Feifei, what’s wrong with you?”

Ouyang Feifei immediately expressed aggrieved feelings.

“Sister Li, I asked a small employee of Washington Pharmaceuticals to beat him, and he said he would ruin me!”

The middle-aged woman in front of Xie is Ouyang Feifei’s agent named Wan Lishi!

He is quite well-known in the entertainment industry and is known as the ace agent. Even Zhang Yichen has followed her before, but for some reason the two parted ways.

The brokerage company arranged an ace broker like Wan Lishi to Ouyang Feifei, which is enough to show that they value Ouyang Feifei.

what!

Wan Lishi suddenly became angry and roared:

“A wage earner dares to be so arrogant? Does he dare to put us in his eyes?”

“Don’t worry, I will definitely seek justice from Washington Pharmaceuticals!”
