

Chapter: 1683

Just now!

Ouyang Feifei and Wan Lishi walked in one after another, but their faces were arrogant.

Especially Ouyang Feifei, there is still a wound on her face!

Everyone was even more confused now, what happened to Ouyang Feifei?

Xu Yourong quickly lost a smile, stood up and said:

“Ms. Ouyang Feifei, this is so good, why should we terminate the contract? Isn’t it our Washington Pharmaceuticals, what is wrong, you can bring it up!”

Hear the words!

Ouyang Feifei suddenly let out a cold snort, and said proudly:

“You still have the face to ask me, do you know what DCP has done?”

Ok?

Xu Yourong and the others are even more confused. What did they do with Washington Pharmaceuticals?

At this time, Wan Lishi also pushed Ouyang Feifei and asked her to accept it as soon as she saw it. After all, Washington Pharmaceuticals is a state-owned enterprise and the leader of the national pharmaceutical industry, and it cannot be offended easily.

Even if Ouyang Feifei is domineering elsewhere, but Washington Pharmaceuticals is not a place where they can do it casually.

Xu Yourong is also very accomplished and said with a smile:

“We really don’t know what we did wrong, please let me know!”

Wan Lishi said:

“Director Xu, it’s like this! Someone in your group assaulted our artist and unilaterally said that he would terminate the cooperation with us. I also want to know if this is what you meant.”

“You said that if you brand our Ouyang Feifei like this, no amount of makeup will be able to cover it up. How can you still shoot your commercial?”

“She looks like this. I don’t think she can take any more activities for a long time. Who will bear the loss?”

what!

Xu Yourong’s expression turned gloomy in an instant, and the employees of Washington Pharmaceuticals dared to beat their spokesperson?

What’s more, who had the courage to unilaterally cancel the cooperation with Ouyang Feifei for their Washington Pharmaceuticals?

“Miss Ouyang Feifei, can you please tell me what is his name?”

Xu Yourong said furiously, she must pull out the bastard who undermined the interests of the group.

Then, Ouyang Feifei described Lin Fan’s physical characteristics.

After hearing this, Xu Yourong was immediately stunned:

“Are you sure he hit you?”

Ouyang Feifei said that the living person is not Lin Fan?

That guy is so courageous, dare to beat the big star?

Son of a bitch!

What a bastard who succeeded less than failed!

Bai Yi was so blind that he would be attracted to such a trash!

“Director Xu knows this person?”

Wan Lishi frowned and looked at Xu Yourong.

Xu Yourong suddenly became angry, and then said angrily:

“Immediately find a person named Lin Fan in the group, and then bring him over!”

It took a long time before Lin Fan was brought over.

As soon as Ouyang Feifei saw Lin Fan, she became emotional, and she screamed bitterly:

“It’s him! This bastard hit me!”

Lin Fan looked helpless, this woman is really good at learning!

Xu Yourong walked towards Lin Fan angrily and asked:

“Did you hit Miss Ouyang?”

Lin Fan glanced at Xu Yourong, but he didn’t deny it, and said openly:

“That’s wrong, I think she was owed, so I slapped her!”

It’s Lin Fan!

Xu Yourong is almost exploding!

Does this idiot know what he is talking about?

And seeing Lin Fan’s indifferent attitude, Ouyang Feifei and Wan Lishi were also completely angry:

“Director Xu, look at his attitude, he still doesn’t realize his mistakes!”

“This is how your group treats its partners? If that’s the case, who else would dare to cooperate with you in the future?”

This statement came out!

Xu Yourong’s face also became extremely ugly, and a sharp look suddenly appeared in his eyes:

“Lin Fan, do you know what you have done yourself? You are harming the interests of our Washington Pharmaceuticals. If you really pursue it, can you bear the consequences?”

“I order you to apologize to Miss Ouyang immediately!”
