

Chapter: 1693

Ok?

Xu Yourong's eyes widened suddenly, and he said angrily:

"Then you still make me apologize?"

This guy did it on purpose?

"I want to see you embarrassed, can't you?"

Lin Fan said tit-for-tat, then pointed at the door:

"In addition, you can get out now, don't delay my life with my wife!"

Xu Yourong gritted her teeth, boasting that she was very self-reliant. At this time, there was an urge to beat Lin Fan.

This grandson is such a bully!

"Why? Want to hit me? I tell you, if you dare to touch my hair, Zhang Yichen will not cooperate with you!"

Lin Fan sneered at Xu Yourong, looking like a dead pig was not afraid of boiling water.

"You, you can do it!"

Xu Yourong tremblingly gave Lin Fan a thumbs up, then turned angrily, and slammed the door out angrily.

Obviously I was mad at this time!

Bai Yi sighed and glanced at Lin Fan helplessly:

"You said you, why bother with her?"

Lin Fan also shrugged helplessly, saying:

"I don't want to care about her. The problem is that she troubles me every other way, and she keeps trying to persuade you to divorce me, so how can I bear it?"

Bai Yi is also one of the first two elders. She didn't want her husband to conflict with her most admired cousin, so she took the initiative to become a peacemaker:

"Cousin, she is also for my own good. I don't want to see me having a hard time. She has had the best relationship with me since I was a child. I don't want you two to be unhappy!"

"Lin Fan, promise me not to fight her anymore, okay?"

Seeing the pleading on Bai Yi's face, Lin Fan softened his heart, nodded and said:

"Well, I will try to avoid her from now on!"

Bai Yi nodded in satisfaction, then looked at Lin Fan:

"You and Zhang Yichen are really just ordinary friends?"

Even when Lin Fandang's hairs were standing upside down, when he looked at Bai Yi's gaze with a smile, he immediately felt his whole body tight.

This is so...

Isn't it over?

.....

Early the next morning, Lin Fan was woken up by Zhang Jianjun's phone call.

"Mr. Lin, the big thing is not good!"

When the call was connected, Zhang Jianjun's anxious voice came from the other end.

Ok?

Lin Fan was completely drowsy in an instant, and immediately sat up from the chair, his face gloomy and said:

"what happened?"

"Look at the TV, it's playing now!"

Zhang Jianjun said impatiently, obviously also very nervous.

Lin Fan quickly got up and turned on the TV, and then tuned to the news channel. At the moment, he saw Ouyang Feifei standing in front of the TV crying and lashing out at the scene of the news release meeting against DC Pharmaceuticals.

Said that because some of the contract details could not be agreed, Washington Pharmaceuticals hit her, and even Minister Zhang Jianjun also hit her!

Now she has gone to the hospital for a medical examination, which confirmed multiple soft tissue injuries and was unable to work for a long time.

Body, mind, and work are all greatly affected!

"My fans don't have to worry about me, I believe in the country and the law, they will give me an explanation!"

"Even government officials have to pay for what they do!"

"At the same time, I also call on everyone to be more cautious in choosing a company with a degraded morality like Washington Pharmaceuticals!"

唰!

The remote control in Lin Fan's hand was instantly crushed into dregs!

An extremely dangerous smile appeared on his face:

"What an idiot looking for death!"

Is this the so-called counterattack of the little guy?

It's really interesting!

Do you think that this will bring down Washington Pharmaceuticals and bring him down to Lin Fan?

Ouyang Feifei too underestimated him, right?

"Mr. Lin, what shall we do?"

Zhang Jianjun on the other end asked Lin Fan for his opinion. At this time, he was also a little confused.

Lin Fan said lightly:

"You don't care about this matter, I will solve it!"
