

# Chapter: 1698

“devil?”

Lin Fan laughed, showing a look of nostalgia:

“Before, they did call me that way!”

Then, he stared at Jiang Zunsheng sharply:

“But you, aren’t you also stabbing a knife in the back of the devil?”

If there is no Jiang Zunsheng’s own death, how can he attack Jiang Zunsheng’s family?

Before coming here, Lin Fan had already given him a chance!

And every time he gives people a chance, it is a pity that almost every time, those people are confident and wanting!

So suffer the punishment and the price it deserves!

Jiang Zunsheng was completely stunned, and then the tears in his eyes, like a lake with a dyke, surged wildly.

Regret it!

At this time his intestines are all regretful.

He killed his own son!

If it were not for his greed, his son would not die!

Stabbing a knife in the back of this devil, he is seeking his own death.

“Blackmail me Lin Fan, you are the first!”

Lin Fan snorted coldly, the coldness in his eyes was violent:

“Since you are looking for death, then I will fulfill you!”

“Hurry up and make a decision, or I want your whole family to die!”

boom!

Jiang Zunsheng suddenly felt like thunder, and his whole body was about to be paralyzed. When even he knelt towards Lin Fan:

“No, please spare my son, I promise your request!”

Jiang Zunsheng suddenly panicked, and pleaded bitterly to Lin Fan. At this time, he was almost paralyzed.

Snapped!

Then, Lin Fan slapped him fiercely, and said viciously and viciously all over his face:

“You didn’t want to give you face before, but now you regret it. You are such a cheap bone!”

At this time, Jiang Zunsheng was crying, his face was bitter, and he couldn’t even speak.

“Mr. Lin, as long as you are willing to let me go, you can do anything you want me to do! I beg you!”

Jiang Zunsheng knelt and knocked at Lin Fansan nine times. At this time, he was completely frightened.

He knew that if he didn’t agree to Lin Fan’s request, this man would really kill him and his family.

“Now follow me to release the meeting place. You should know what to do, right?”

Lin Fan said coldly, and stood up from the chair at the same time.

Jiang Zunsheng nodded bitterly. He knew that he would destroy Ouyang Feifei himself.

Destroying a cash cow that he had cultivated in this way made him feel heartache.

Jiang Zunsheng fully realized what is meant by stealing chickens and losing rice.

And this time!

Ouyang Feifei also sold miserably in front of a large number of reporters, and said how hateful and hateful the Washington Pharmaceuticals is.

“So far, we have not received an apology from Washington Pharmaceuticals. Obviously they have not realized their mistakes so far!”

“You can imagine what kind of attitude they have. Can state-owned enterprises do whatever they want?”

“Can high-level officials flout the law and discipline?”

Wan Lishi also stepped up to help her, with an appearance filled with righteous indignation, and she was extremely angry.

Ouyang Feifei looked pitiful, wiping away tears, but said hypocritically:

“Sister Li, don’t say that, it’s just a personal behavior and has nothing to do with Washington Pharmaceuticals!”

“Why doesn’t it matter?”

Wan Lishi pretended to be angry and shouted:

“They dare to hit people directly, isn’t it because the leadership indulges? You still speak for them at this time. Are you stupid?”

When Wan Li Shi’s voice fell, Ouyang Feifei stopped talking, and then cried even harder.

just!

But I was snickering in my heart. The two of them sang together. It is estimated that the share price of Washington Pharmaceuticals will have to drop by a few percentage points, right?

But right now!

Jiang Zunsheng walked toward the stage with a gloomy expression, and his appearance immediately caused an uproar.

All the shots were aimed at Jiang Zunsheng for a while, and the big boss of Ouyang Feifei’s brokerage firm also came?

Does he also want to participate in the release meeting?

They are very curious how Jiang Zunsheng will express his position!

Seeing Jiang Zunsheng appeared, Ouyang Feifei and Wan Lishi were both stunned. It seemed that they didn’t expect Jiang Zunsheng to appear on their own initiative. Could the negotiations with Washington Pharmaceuticals collapsed?

So Jiang Zunsheng has to completely step on the soles of Washington DC Pharmaceuticals?

And just under the eyes of everyone, Jiang Zunsheng walked towards Ouyang Feifei.

then...

Snapped!

A merciless slap slapped Ouyang Feifei’s face severely.

Wow!

The audience was shocked!
