

Chapter: 1699

Senseless!

Everyone present was completely dumbfounded!

What's the situation?

As Ouyang Feifei's boss, he hit her as soon as he came?

What kind of drama is this?

Not only the reporters present, but those who watched the live broadcast in front of the camera were completely dumbfounded at this time.

As Ouyang Feifei's boss, Jiang Zunsheng didn't speak for her, but hit her as soon as he came?

what happened?

Ouyang Feifei and Wan Lishi, petrochemical on the spot!

They all dreamt that Jiang Zunsheng would attack Ouyang Feifei as soon as he appeared. Could it be because of Washington Pharmaceuticals?

Especially Ouyang Feifei!

At this time, I am completely confused!

She looked at Jiang Zunsheng in disbelief, and said extremely innocently:

“Boss, why are you hitting me?”

at this time!

Thousands of them fell into sluggishness, all looking at Jiang Zunsheng incredible!

But when he saw Jiang Zunsheng's face gloomy, he roared like crazy:

“Bitch, you still have the face to ask, what did you do, don't you know it in your heart?”

Ok?

Ouyang Feifei completely paled, what did she do?

Could it be that Jiang Zunsheng knew about the joy of finding a few male models not long ago?

So when he becomes angry, he wants to completely ruin himself in front of the media?

just!

Without waiting for her to continue to ask questions, Jiang Zunsheng turned his head directly, facing the media present, and said loudly:

“Everyone, don't let this bitch be fooled, it's not the case at all!”

“According to my understanding, Ouyang Feifei ordered her bodyguard to beat her because an employee of Washington Pharmaceuticals blocked her way, and then asked Zhang Jianjun to fire the employee!”

“Mr. Zhang was furious, so he slapped Ouyang Feifei and canceled the cooperation with our company, but this bitch actually held a grudge, and the thief shouted to catch the thief!”

“I want to use the power of public opinion to lash out against DC Pharmaceuticals!”

boom!

This sentence, like the thunder of horror, blatantly resounded through the audience!

All the people present were dumbfounded!

The truth, is this the case?

If what Jiang Zunsheng said is true, then how vicious this woman's heart should be!

At this time, Ouyang Feifei only felt a bolt from the blue, with deep shock and panic in his eyes, looking at Jiang Zunsheng in disbelief!

Jiang Zunsheng was going to destroy her with his own hands?

Is Jiang Zunsheng crazy?

On the side, Wan Lishi also had weak legs, her face instantly pale as paper!

She knows that Jiang Zunsheng's attitude has changed so much, it must be because of Washington Pharmaceuticals, and because Washington Pharmaceuticals gave Jiang Zunsheng a reason that Jiang Zunsheng could not refuse, and it could even be said to be an irresistible threat!

So Jiang Zunsheng had to sacrifice Ouyang Feifei in order to protect himself!

But sacrificing Ouyang Feifei does not mean sacrificing her?

After all, she is Ouyang Feifei's accomplice!

That's it!

That's it!

Even if Wan Li Shi Dang was about to cry, she shouldn't listen to Ouyang Feifei's nonsense. How could a little like them beat a behemoth like Washington Pharmaceuticals?

Even Jiang Zunsheng has been subdued, they have completely lost their backing now!

“You bullshit! You bullshit!”

Ouyang Feifei rushed towards Jiang Zunsheng like crazy, reaching out to grab the microphone in Jiang Zunsheng's hand:

“Why would you do this, you are ruining me!”

“roll!”

Jiang Zunsheng directly kicked Ouyang Feifei away, and then continued:

“Everyone, Ouyang Feifei was brought up by me alone. She is my cash cow if it is ugly. If it is not a last resort, I will never ruin her like this.”

“But what she did is too much, even I can't stand it anymore!”

Do not!!!

Hearing these words, Ouyang Feifei was completely desperate, and wailed very sadly.

Obviously, she also knew that Jiang Zunsheng's current words were pushing her into the abyss of immortality.

Now!

The faces of the major reporters became extremely ugly in an instant, because they all had the feeling of being played by Ouyang Feifei as a monkey.

An inexplicable anger emerged in my heart!

Then, a male reporter stepped forward and asked Jiang Zunsheng:

“Dong Jiang, it is not convenient for Fang to disclose, what is the reason why you want to stand up for the reputation of Washington DC even at the expense of a future queen?”
