

Chapter: 1704

Heard this!

Li Xunran's face became paler and paler, thinking that he would most likely spend the rest of his life with the scum in front of him, Li Xunran felt more uncomfortable than killing her.

However, there is more to it!

Wang Boyi clamored even more proudly:

"I'm not afraid to tell you, even after getting married, I won't be the only woman you are!"

"How can a good man like me be willing to have only a woman? When you can bear it, you can bear it, if you can't bear it...hoho, you have to bear it with me!"

Li Xunran thumped back a few steps, the expression on his face became more and more bitter.

This is a political marriage. The two parties are only tied together for the benefit of the two families. There is no such thing as happiness at all.

Is it true that in my life, I can only be played by Wang Gamei between the palms of my hands?

How can she be willing?

Not far away, Lin Fan was completely stunned when he heard the dialogue between Li Xunran and Wang Boyi, wondering how the fate of this woman was so rough.

Even if I met a scumbag, I had to marry each other due to family pressure.

If Li Xunran really marries Wang Gamei, I'm afraid he won't be happy for the rest of his life, right?

However, this has nothing to do with Lin Fan!

Lin Fan was too lazy to take care of his business, and then he took a step forward and walked in toward the Washington Pharmaceuticals, all without seeing the two of them.

But right now!

Li Xunran noticed Lin Fan, first for a moment, and then suddenly a green light flashed in his eyes, as if he had seen a life-saving straw.

Immediately, she seemed to be crazy, and rushed towards Lin Fan!

Then he couldn't help but put on Lin Fan's arm, with an extremely contemptuous look.

"What do you mean?"

Lin Fan frowned and immediately had an ominous premonition, as if he expected what Li Xunran wanted to do.

"To shut up!"

Li Xunran didn't give a good-faced reprimand.

Ok?

At this time, seeing Li Xunran holding another man's hand affectionately, Wang Boyi's face suddenly became gloomy.

"Li Xunran, who is he?"

Wang Boyi asked loudly, his words filled with anger.

Even if the two of them are in a political marriage, Li Xunran is also his wife in name. Now his wife is holding another man's hand in front of him.

Isn't this cuckolding him?

If this were to be spread out, wouldn't he, Wang Clan, become a laughing stock?

"Forgot to introduce to you, this is my boyfriend, he is called Lin Fan!"

Li Xunran sneered, holding Lin Fan's hand tightly:

"Sorry Wang Gamei, I will never marry you!"

Sure enough!

Lin Fan smiled bitterly, and he knew that Li Xunran was planning to use him as a shield.

It is no wonder that if the Li family wants to cancel her marriage with Wang Gamei, then she can only use Lin Fan.

Because only Lin Fan can be better than Wang Gamei!

Even Lin Fan alone is enough to be a king's family side by side!

After all, the Lin Family, which was more than ten times stronger than the Wang Family, fell apart under Lin Fan's hands and was heading for extinction!

Lin Fan is her last hope!

boyfriend?

Wang Boyi was taken aback for a moment. After taking a look at Lin Fan, he burst into laughter:

"Boyfriend? Just him?"

"Hahaha! Li Xunran, are you serious? My security guards are probably better dressed than him. Could this kind of poor ghost be your boyfriend?"

"Unless, you are blind!"

Hearing this, Lin Fan was a little unhappy!

Go to your uncle!

You two don't deal with each other, it's about my ass?

Why insult me?

At this moment, he became a little hostile to Wang Gamei, especially the arrogant attitude of the other party, which made Lin Fan feel disgusted.

Obviously, this is a master who has a sense of superiority and is always online, so he humiliated him in such a pretentious manner, even if they only met for the first time.

Because in Wang Gamei's eyes, Lin Fan is a scum, a scum that can be trampled on at will!

And Lin Fan hated this kind of people the most in his life.

Li Xunran also knew that Wang Boyi would not easily believe it, and he simply hugged Lin Fan tighter, and at the same time said in an extremely explicit manner:

"Believe it or not, he is my man anyway, and I gave it to him for the first time!"
