

Chapter: 1709

“Your home, do you still know that you are the Li family? You dare to destroy the marriage between our two families and find a wild man outside?”

“Not to mention shamelessly, you gave him all your innocence?”

Instant time!

All the Li family cast murderous glances at Lin Fan.

Obviously!

Regardless of how Li Xunran and Wang Boyi ended up, Lin Fan, a third party who smashed in, had only a dead end.

But Lin Fan’s attitude seemed extremely cold, even frivolously whistling, he didn’t even care about these people at all.

In the face of everyone’s condemnation, Li Xunran also went out and sneered:

“Why, allow Wang Gamei to cheat on female celebrities and not allow me to look for men outside?”

As soon as this remark came out, Wang Boyi’s face instantly became difficult to look at!

And the old man of the Wang family stared at Wang Gamei, who hated iron and steel.

If Wang Gamei could endure it for a while, how could it be where he is today after he and Li Xunran are married?

Now, Li Xunran’s face was lost to their Wang family!

I am afraid that marriage will not be possible!

The second aunt jumped out again to be a demon, and said coldly:

“Even if King Game is cheating, he is looking for female celebrities. Look what you found?”

“Furthermore, any man who has the ability is not three wives and four concubines. Isn’t it enough for you to be in the main room? Why bother about so much?”

“I don’t think you know good or bad!”

Because the old man of the Li family followed Li Xunran everywhere, he first gave Li Xunran any benefits, so he aroused dissatisfaction with the second aunt and the first wife.

Now that they have the opportunity to pour dirty water on Li Xunran, they will naturally not miss it!

When he heard this, Li Xunran’s face also sank, and his voice said coldly:

“The man I chose is no worse than Wang Gaming, on the contrary, he is a hundred times better than him!”

Quiet!

The audience is silent!

A pair of eyes stared completely round, just staring straight at Li Xunran, obviously shocked by Li Xunran’s shocking words.

This man is better than Wang Gaming?

What a joke!

Immediately afterwards, the second aunt burst into laughter frantically:

“This wild man is better than Wang Game?”

“Li Xunran, I think you are insane, right?”

Everyone also sneered, as if they had heard a big joke, looking at Li Xunran with an idiot look.

This is ridiculous!

In the imperial capital, there is a saying, “Birth is like a king game!”

Even the three evildoers of the Lin Family were inferior to Wang Gamei.

In the younger generation of the imperial capital, Wang Boyi is the leader. All the sons of the younger generation regard him as the leader. The network of connections Wang Boyi says is the first, but no one dares to say the second.

You can imagine how terrifying Wang Game is!

And the most important thing is that Wang Gamei is only in his early thirties this year!

At this age, he is the president of a chamber of commerce in the Imperial Capital. This Chamber of Commerce was formed by a group of princes in the Imperial Capital. The annual profit and dividends are as much as 50 billion.

And all of this is the credit of Wang Gamei, so Wang Gamei has great prestige among those elder brothers, but if you follow Wang Gamei, even a fool can make money.

Otherwise, the Wang family would not choose him as the heir.

But Li Xunran actually said that the unknown boy in front of him was a hundred times better than Wang Gamei?

What is this not a joke?

They don’t even know who the other party is. What qualifications does such a product have to compare with Wang Game?

However, at this moment!

However, Wang Boyi spoke, and this boy pretended to look affectionate and looked at Li Xunran with tender eyes:

“Xunran, I know you hate me, but why should you look for such a merchandise to deceive yourself?”

“He, he has a husband!”

boom!

This sentence is like a bomb, detonating the audience!

The Li family’s complexion instantly became extremely ugly.

Li Xunran not only found a wild man outside, but also a married man?

Isn’t Li Xunran a third party?
