

# Chapter: 1710

And this moment!

Li Xunran's face instantly darkened.

on purpose!

Wang Gamei is definitely deliberate!

At this moment, telling the fact that Lin Fan is a married man is obviously to embarrass her!

At this time, Lin Fan also had a killing opportunity in his eyes.

It seems that Wang Boyi has really investigated him!

And he does not like others to investigate his background.

The second aunt asked Wang Gamei quickly:

“Xiao Wang, what the hell is going on, you can make it clear!”

Wang Gamei pretended to be painful:

“This man's name is Lin Fan. He is a son-in-law. He has always depended on his wife to support him. If it is ugly, he is a soft food.”

“I didn't even think that Xunran would have a relationship with him. Such a man is simply a scumbag, alas!”

Wow!

Everyone was in an uproar again, and the anger of the Li family was pushed to the climax at this moment.

Even if you have a husband, you are still a son-in-law?

If Li Xunran cheated on such a thing before marriage, if it spreads out, then their Li family will become the laughing stock of the entire China!

“Dad, did you see it? This is the future successor that you carefully cultivated!”

“If the Li family falls into her hands, I think it's not far from destruction!”

The second aunt said yin and yang weirdly.

Not only her, but the second uncle also stood up and spoke:

“Dad, you spoiled this girl since you were a kid, and you see what she did to make a little white face a mistress, what is this not mean?”

“For the sake of selfish desires and stubborn family interests, what qualifications does such a person have to be the head of the Li family?”

“In my opinion, let her be expelled from the Li family directly, so as not to let such a bitch ruin my Li family's reputation!”

A hostile curse continued to resound.

Everyone has only one idea, and that is to force Li Xunran out of Li's house and go out completely.

They didn't have this chance before, but now it's different. Li Xunran, an idiot, actually cheated on a married woman, and even embarrassed the family because of it.

In this case, what face does she have to stay in Li's house?

And upon seeing it!

Wang Boyi smiled unkindly, as if he had seen Li Xunran's tragic end.

As long as Li Xunran is kicked out of the Li family, he has a hundred ways to make Li Xunran better than dead.

Should he cuckold Wang Gamei?

Bitch!

I want you to die!

And just now!

Wang Shan, the head of the Wang family, couldn't help looking at Old Man Li, and said with a cold face:

“Uncle Li, it stands to reason that this marriage contract was made by you and my father, and I am not qualified to intervene.”

“But your granddaughter is so unruly. Even if you cheat before you get married, you'll even be cheating on such a useless trash. If you marry her in, I won't see the damage to your Li family's reputation, and our Wang family will become a laughing stock.”

“Well, what do you think of the Li family choosing a clean and self-contained woman from among the female relatives to replace Li Xunran to marry Wang Gamei?”

Hear the words!

Old man Li's face is just as ugly as it is.

Wang Family, this is obviously pushing the palace!

If he does not agree to the request of the Wang family, then the marriage between the two will end, and it may even become an enemy because of this.

But Li Xunran was the heir he had cultivated, and now he would be ruined if he was ruined. How could he be willing?

At the moment, Mr. Li stared sharply at Li Xunran:

“Li Xunran, what else do you have to say?”

He wanted to give Li Xunran one last chance, hoping that Li Xunran could give a reasonable explanation for his impulse, so as to convince the family!

just!

Li Xunran still looked indifferent and said:

“Grandpa, please believe me, the man I chose by Li Xunran can't be a general man!”

Death does not change!

Old man Li's eyes were instantly gushing with anger!

By now, Li Xunran didn't even think about repentance, but was still arrogant?

The identity of your man has already been investigated, and at this moment you are still stiff-mouthed?

Elder Li was completely disappointed with Li Xunran at this time, and it seemed that he really missed it.

Women's college is not staying!

Li Xunran may really not be suitable to be the head of the Li family!
