

# Chapter: 1716

And just now!

Lin Fan said with a cold face:

“No, the Li family is wealthy and we don’t like our gifts!”

Ok?

Upon hearing this, Xu Longxiang frowned, and then he stared sharply at Old Man Li in front of him.

In this regard, Old Man Li could only smile awkwardly, only to feel ashamed and lost home.

At this time, even the atmosphere did not dare to take a breath!

“Humph!”

Xu Longxiang snorted directly, and immediately threw away Old Man Li’s hand.

The smile on that face instantly disappeared, and the speed of turning his face was simply breathtaking.

“What kind of thing is your Li family? Mr. Lin gave a gift. That is the blessing you have cultivated in your eight lifetimes. It is a shameless dog thing!”

Xu Longxiang swears extremely humiliatingly.

Then he ignored the opponent, walked towards Lin Fan, and said angrily:

“Mr. Lin, do you need our Longya to teach you these people who don’t know the heights of the sky?”

Hear the words!

The Li family present suddenly stood up and looked at Lin Fan in horror.

Longya is the Huaxia Legion, how can you say that you just do it?

But now, for Lin Fan’s selfish desires, are you going to attack them?

This, this is for personal gain!

Xu Longxiang is ignoring the discipline of the army!

Oh my!

What terrifying identity does this man have, and he deserves Xu Long to be treated like this?

But Lin Fan waved his hand and sneered:

“Don’t worry, the show is just about to begin!”

He wants these two families to despair!

Upon hearing this, the two families suddenly looked horrified.

The good show has just begun?

What does it mean?

Is it possible that there are still big people coming?

This Jianjun and Xu Long elephant is enough for them to drink a pot.

If this is added, the two of them are afraid that their hearts will not be able to stand it.

They want to shout loudly:

Daxian, please receive magical powers, right?

And at this moment, a roar resounded instantly!

“Kill him, you can’t let him leave here alive!”

Ok?

Everyone was shocked and turned around, only to see that the speaker turned out to be Wang Gamei!

“Wang Boyi, are you crazy? Even now, you dare to talk nonsense, shut up!”

The Wang Patriarch roared, almost urinating in shock.

Do you see who they are?

Kill him?

He killed us almost!

“Wang Boyi, are you not miserable enough for us? After offending such an existence, you still haven’t repented yet?”

“I think it’s you who should be swept out!”

The Wang family became very angry and screamed at Wang Gamei.

This reaction was just like the Li family’s hatred towards Li Xunran, feeling that Wang Gamei was dragged down.

just!

Wang Boyi was not angry, but stared at Lin Fan bitterly, and said with a grim expression:

“I know I was wrong, but now is not the time to hold someone accountable. This man can’t stay, otherwise our Wang family won’t end well, and he won’t let us go.”

Ok?

Upon hearing this, the Wang family stopped verbalizing, all frowned, looking worried.

Obviously Wang Gamei’s words reminded them.

They had offended Lin Fan, and even wanted to take Lin Fan’s life. This man was afraid that they would never let go of their royal family.

But killing Lin Fan here is too risky!

After all, behind Lin Fan, there is Xu Longxiang sitting behind him.

“Asshole thing, you dare to say murder in front of Mr. Xu, I think you are crazy?”

Wang Boyi’s father pretended to be angry and said. In fact, he was asking Wang Boyi whether he was capable of solving Xu Longxiang’s troubles.

Obviously, he was already tempted, planning to kill Lin Fan to avoid future troubles.

His subtext, naturally, can’t hide from Lin Fan and other wise people like a demon.

Lin Fan, Zhang Jianjun and the others all sneered and cursed the old fox secretly.

And hear it!

Wang Boyi laughed grinningly and said wildly:

“What about Mr. Xu? Before I came here, I found my master to hold the line, just to deal with today’s emergencies.”

boom!

As soon as this statement came out, everyone was stunned, and there was a strong shock in their eyes.

They knew that Wang Gamei was really killing Lin Fan!

His master is a famous master!

A fairy-level character!

If you really want to kill people here, even if Lin Fan is backed by Xu Longxiang’s troops, there will only be a dead end.

“Dad, it’s up to you! If this person is not removed, my Li family will have a good life!”

Hearing this, the Wang Family Patriarch frowned, and then said with a cold face:

“Clean hands and feet!”
