

Chapter: 1723

“Patriarch Lin? Hey! Speak, Patriarch Lin!”

The Patriarch Wang shouted hysterically, and at this time there was crying in his voice.

“Dad, what should we do? What should we do?”

Wang Boyi also seemed to be stunned, grabbing his father’s hand, and asked in tears.

He already realized that Lin Hongtu had abandoned them!

why?

Because the man named Lin Fan in front of him, the Lin family can’t afford to offend him!

“There is nothing wrong, nothing will happen! Patriarch Lin, you must have pressed the wrong button! I will call again, I will call again!”

Patriarch Wang’s face was pale, he kept repeating the troubles, and then kept calling Lin Hongtu.

But because of trembling hands, I pressed the wrong number several times!

After finally dialing, there was a voice that made them desperate!

“Hello, the call you dialed is turned off...”

Shut down!

Lin Hongtu was completely planning to abandon them, because he knew he couldn’t offend Lin Fan, nor could he save Wang Boyi and his son, so he didn’t even want to face him.

Just turn it off, treat it as nothing happened!

Oh my!

What kind of existence can make Lin Hongtu and other super overlords be humiliated now?

The more he fought, the more desperate he got. Every time there was a warning sound to shut down, the Wang Family Patriarch was already shaking uncontrollably at this time.

“No need to call, even if you press the phone to burst, he won’t answer your call.”

Lin Fan sneered, looking at Lin Fan like a cat catching a mouse.

Puff!

The Wang Family Patriarch was completely paralyzed in fright, and looked at Lin Fan with horror:

“Let us go, as long as you let us go, you can let me do anything!”

He was completely desperate, so he could only kneel in front of Lin Fan, begging for forgiveness.

just!

Lin Fan sneered and said:

“Just now, you should have let me go, didn’t you?”

In one sentence, Lin Fan’s attitude has already been explained.

Then, Lin Fan looked at Xu Longxiang:

“Old Xu, don’t you mind doing some good-tailing work for me, right?”

Xu Longxiang smiled slightly and said:

“my pleasure!”

The expressions of Wang Boyi and his son suddenly stiffened, and at this time their intestines were all regretful.

Lin Fan was right. They should have let Lin Fan go just now. If they let Lin Fan go, where are all the current messes?

That’s it!

They are completely finished!

It was all the damn fool Wang Gamei, who had to be brave for a while, and finally coaxed into the situation it is today.

The most damn thing at this time should be Wang Gamei!

And Lin Fan turned his head and looked at Li Xunran:

“Now we can go!”

Li Xunran gave a wry smile and looked at Lin Fan:

“is it necessary?”

She was very grateful to Lin Fan for what she had done for her, which saved her face and let everyone know that she was the right decision to abandon Wang Game.

But at the moment all this, she felt that it was not important anymore, because the Li family had abandoned her.

Lin Fan shrugged and said indifferently:

“I don’t know, but if I see them upset, then I feel upset!”

Then, he stretched out his hand and took Li Xunran’s hand:

“Let’s go, honey!”

Li Xunran blushed and nodded, without making a sound, letting Lin Fan take her away from Li’s house.

But at this moment, Old Man Li rushed forward, stopped in front of them all of a sudden, and said with a smile on his face:

“Good grandson-in-law, where are you going? Why did you leave when you just came here? There is still no food to eat. Let’s go after dinner!”

Even the Lin family was afraid of it. How could such a good young man easily let him go?

This is a great opportunity!

Even if he loses his old face, Mr. Li has to try it!

But Lin Fan glanced at him indifferently, and said in a strange way:

“I think you have always misunderstood. I’m a little white face who eats soft rice. How can I be qualified to be your granddaughter-in-law?”

“I can’t afford it!”
