And those big guys also looked at Lin Fan with contempt.

Where does this brain damage come from?

“Newborn calves are not afraid of tigers!”

Lin Hongtu shook his head, but with a look of contempt. He didn’t believe that a few words could make Zhu Yuanchao subdued.

People Zhu Yuanchao didn’t even give him face, so how could he give Lin Fan face?

“Boy, don’t mess around! If Zhu Yuanchao is irritated, and Yao Lao has something unexpected, we will definitely not let you go!”

“I want to save people with just a few words. Isn’t it too whimsical? Where did this wonderful work come from? I have never seen such a brainless and arrogant young man!”

Even Li Xunran was deeply suspicious of Lin Fan and asked nervously:

“Lin Fan, can you really save my master?”

“Definitely, trust me!”

Lin Fan nodded heavily, then looked at Lin Hongtu and others with a sneer:

“And Zhu Yuanchao will personally come out and apologize to us!”

what!

Lin Hongtu was taken aback and laughed even louder.

“It’s over. This kid is completely crazy. He even said that Zhu Yuanchao would come to apologize to him personally, and he wouldn’t take a pee to show his own virtues.”

“Even my father has no such ability!”

Lin Zhanyu almost couldn’t help laughing. It was the first time he saw such a person who could pretend to be such a force.

And the big guys at the scene also shook their heads constantly, this young man is really getting more and more infamous.

It’s as if you are a big man.

Don’t say it’s them!

Even Zhu Qianlong at this moment couldn’t help but feel angry after seeing Lin Fan’s arrogant attitude, his eyes filled with anger:

“Boy, are you looking down on our Zhu family?”

With just a few words, do you want them to let go of the Zhu family?

Isn’t this what humiliation is?

Really think that their Zhu family is in a muddled way?

“You better look at what is written on it before talking!”

Lin Fan sneered at Zhu Qianlong and said.

“No matter what is written above, our Zhu family will not release people today, and you will die here for humiliating our Zhu family!”

Zhu Qianlong opened the cloth strip while cursing, and then he closed his mouth instantly.

In the next instant, he took a breath of air-conditioning and looked at Lin Fan in horror:

“You! This... this is impossible!”

Zhu Qianlong’s voice was like a scream, full of shock and incredibility.

It’s like being scared to pee!

This scene also made Zhu Yuanchao and his son completely astonished. What exactly did Zhu Qianlong see was actually scared of this virtue.

It’s like seeing a ghost alive!

In the end what happened?

What is written on that piece of cloth?

Zhu Qianlong changed his former arrogance, his face instantly turned pale, and he looked at Lin Fan in horror.

But for this, Lin Fan was extremely indifferent, and said coldly:

“My time is limited. If three minutes can’t satisfy me, you will be at your own risk!”

Threat!

This guy dared to threaten the Zhu family in the crowd?

Moreover, in front of all hidden dragons?

At this time, as long as Zhu Qianlong moved his mouth, Lin Fan would disappear from this world forever.

but!

The next moment, Zhu Qianlong’s reaction was to surprise everyone present, and he nodded in horror:

“You... wait a minute, I’ll report to my father right away!”

Compared with the frivolous and arrogance when facing Lin Hongtu and others, it can be called a different person.

This scene stunned everyone present!

Could it be that their status in the Zhu family is not as good as this trash in front of them?

Hallucinations!

This is so special, it’s just an illusion!

Everyone was messed up at this moment and couldn’t believe their eyes.

Especially Lin Hongtu!

At this time he felt severely slapped in the face.

Zhu Qianlong didn’t put them in his eyes at all, but Lin Fan just simply wrote a few words, and Zhu Qianlong was shocked directly?
