

Chapter: 1732

Isn't Lin Hongtu as good as this trash in front of him?

At this time, a big man looked at Lin Fan in shock:

“Does this kid in front of me really have a way to rescue Yao Lao, right?”

If that were the case, then they would be embarrassed!

More than a dozen super bosses who can be called the leaders in their respective fields, in the end, they are not as good as a yellow-haired boy in their early twenties.

“Impossible! No matter what the kid used to confuse Zhu Qianlong, but we can't save the person, he wants to save it on his own?”

“What is he!”

Lin Hongtu roared furiously.

At this time, the big guys present could also clearly feel that Lin Hongtu was in a bad mood, so they didn't dare to speak up.

And this time!

Zhu Yuanchao was thinking about how to clean up the old man, so that he can obediently notify the doctor Lin.

But suddenly he saw Zhu Qianlong staggering in, as if he had seen a ghost, and knocked over a lot of things along the way.

Zhu Yuanchao's face suddenly sank, and he said displeased:

“What are you doing, why did you let the wolf go?”

Puff!

Zhu Qianlong knelt down to Zhu Yuanchao at once, and said in horror:

“Dad, let go! Let go!”

Ok?

Zhu Yuanchao's expression suddenly changed, and finally realized that something was wrong with his son's change.

At the moment, he stood up instantly and asked anxiously:

“Did Lin Hongtu, the old man, brought some incredible characters to come forward?”

“It's not Lin Hongtu!”

Zhu Qianlong shook his head.

Hear the words!

Zhu Yuanchao breathed a sigh of relief, as long as it wasn't Lin Hongtu, now in the imperial capital, his enemies except Lin Hongtu, he really doesn't put others in his eyes.

“Dad, he is more terrifying than Lin Hongtu!”

what!

Zhu Yuanchao's heart just let go, hangs up again, and asks in horror:

“Who are you talking about?”

At this time, Zhu Qianlong was too scared to speak, but handed the piece of cloth to Zhu Yuanchao!

Zhu Yuanchao opened it to take a look, and then took a breath of air-conditioning.

I'm going to be scared silly!

There were just a few words written on it, but it was enough to scare him away!

“Lin Zuo!”

“Release!”

From the vigorous and powerful gestures, Zhu Yuanchao seemed to be able to clearly feel the opponent's anger.

Lin Zuo, it turned out to be Lin Zuo?

Isn't he dreaming?

How could Lin Zuo find him?

Such a big man has something to do with Yao Lao?

He was afraid, completely afraid!

It was one of China's four major military seats, and it was also one of the most promising.

Even if it offends Lin Hongtu, Zhu Yuanchao dare not offend Lin Zuo.

Because no one can imagine how high Lin Zuo will climb in the future, and now there is an internal message that the upper hand has deliberately trained Lin Zuo to become the commander of the three armies.

In this case, they go to offend Lin Zuo, it is simply looking for death!

Zhu Yuanchao's old face was pale, and he no longer had the majesty and pride he had before. He never dreamed that even Lin Zuo would come forward to catch Yao Lao.

Now!

Zhu Yuanchao looked at Zhu Qianlong nervously:

“Did you see Lin Zuo?”

Zhu Qianlong nodded hard, and said in a trembled voice:

“He... he's outside, a young man in his twenties!”

In your twenties?

Zhu Yuanchao was shocked, that Lin Zuo was only in his twenties?

This...young one is a bit too much, right?

He thought that the Nihuang Army Seat was already young enough, but he was also over thirty years old.

The Lin Zuo that has emerged now is only in his twenties!

damn it!

Isn't this the contemporary Zhou Yu?

Zhou Yu commanded 400,000 naval forces at the age of fourteen. By the time he was in his twenties, he was already a hot general in Jiangdong, and his prestige in Jiangdong even surpassed that of Sun Quan.

And now this forest seat is comparable to Zhou Lang of the Three Kingdoms!

“Are you sure that it is Lin Zuo? Could it be that he is deceiving you?”
