

Chapter: 1735

He knew that if Lin Fan could not be satisfied at this time, then Zhu Qianlong would definitely die!

Lin Hongtu and the others seemed to be dreaming when they heard Zhu Yuan Dynasty's unsentimental words.

In order to please the man in front of him, Zhu Yuanchao would not hesitate to interrupt his son's leg?

When everyone looked at Lin Fan's eyes, they completely changed their tastes.

In the eyes, there is endless fear!

The man in front of him was far more terrifying than they thought!

Ouch!

Immediately afterwards, a stern scream made everyone recover from the consternation.

At this time, Zhu Qianlong had fallen to the ground, his legs trembling crazily with his arms around him, and he looked unhappy.

but!

As his father, Zhu Yuanchao didn't even look at Zhu Qianlong, but looked at Lin Fan with a flattering look:

"Mr. Lin, are you satisfied with this treatment? If you are not satisfied, I will interrupt the other leg of this bastard!"

Lin Fan glanced at Zhu Qianlong, then turned around and left, and at the same time dropped a sentence lightly:

"Not an example!"

Seeing that Lin Fan was not pursuing them, Zhu Yuanchao and Zhu Qianlong breathed a sigh of relief.

As long as they don't feud with the man in front of them, let alone break a leg, they will not hesitate even if they are disabled for life.

After Lin Fan left, Zhu Yuanchao looked at Lin Hongtu with a playful look:

"Lin Hongtu, you were always clever, and you never thought of being confused for a while? But it happened that this moment of confusion directly ruined your Lin family's century-old foundation, hahaha!"

He already knows the relationship between Lin Fan and Lin Hongtu, which is simply great news for him!

With Lin Fan and Lin Hongtu's grievances, he would never let the Lin Family go, and once the Lin Family died, their only threat from the Zhu Family was there.

You can return to the peak of the past!

Hear the words!

Lin Hongtu's face suddenly became gloomy, and he asked in a bad tone:

"What do you mean?"

"What do you mean, it means that the Lin family has no eyes. For such an excellent young man, I can't find a job, but you are abject?"

Zhu Yuanchao laughed loudly, with a gloating appearance, it seemed that he couldn't wait to see the Lin family.

"Your Lin family is completely finished!"

just!

Lin Hongtu who heard this snorted disdainfully:

"A joke! My Lin family has a big family, so I'm afraid of him Lin Fan?"

"Zhu Yuanchao, you look down on my Lin family too much, right? You are afraid of him, I am not afraid!"

Hearing this, Zhu Yuanchao immediately looked at Lin Hongtu like an idiot, with a contemptuous sneer on his face.

At this time, Zhu Yuanchao suddenly felt that Lin Hongtu was very pitiful, and now he doesn't even know what he abandoned or what he offended.

Even now, I don't know how to repent when I die!

That's stupid!

"Then I wish you good luck!"

Zhu Yuanchao said with a smile but a smile, and then stopped talking nonsense and took Zhu Qianlong to the doctor.

See it!

Lin Hongtu's posterior molars were about to be crushed, and he roared:

"Check! Check it out for me, what the hell is going on!"

"I want to know what the little beast did!"

.....

And this time!

Lin Fan, Li Xunran and others were on the way back, but suddenly received a call.

The person who called was the mad god of blood hell, and he seemed excited on the other end, with a deep joy in his voice:

"Wang, there is a good news, I want to tell you?"

Ok?

Lin Fan was taken aback for a moment, and suddenly he was a little confused. When did the blood prison mad god become so mysterious.

"What good news?"

Then, the blood prison mad god said with a smile:

"I found your grandpa!"
