

Chapter: 1736

Lin Fan didn't know much about his mother's relatives. In his impression, they seemed to have never appeared before.

But now the blood prison mad god actually told him that he found his grandfather?

A soft place in Lin Fan's heart was immediately touched.

Right now, he asked nervously:

"Where are they now?"

"It's in the imperial capital, in the old town of Xishan! There are quite a few forces in the local area. Your grandfather's name is Song Yuerong!"

Lin Fan could no longer contain his excitement, and said:

"Prepare a gift tomorrow, I want to visit Grandpa's family!"

Just don't know!

What kind of expression will Grandpa look like after seeing him?

.....

When he arrived at the hotel, Lin Fan just wanted to tell Bai Yi the good news.

But I saw Bai Yi sitting on the bed, wiping away tears.

Seeing this, Lin Fan was completely stunned, thinking that it was because of the beating that made him feel sad.

He quickly greeted him and comforted:

"My wife, something is wrong! Elder Yao has been rescued, and the person who beat you has paid the price. Don't cry anymore!"

And this time!

Bai Yi turned his head with scorching eyes and stared at Lin Fan:

"Lin Fan, when are you going to hide from me?"

boom!

Lin Fan's heart sank suddenly and looked at Bai Yi in amazement.

Did my wife find something?

Seeing Lin Fan's expression, Bai Yi was even more certain that he had guessed correctly, so he cried even harder:

"Do you still lie to me? Do you really think I'm stupid? Why is it that every time something happens, as long as you are there, it can be solved?"

"Why can you contact so many big people like Lin Zuo, the King of the Blood Prison, and God Doctor Lin?"

"And why is it that even a super queen like Zhang Yichen and a genius doctor like Li Xunran treat you with blue eyes? It's not just because you are a great master. If you didn't say it before, I won't ask!"

"But now I must know!"

Bai Yi's attitude is very resolute. If Lin Fan doesn't say why today, she will never let it go!

Lin Fan smiled bitterly:

"Why do you have to know today?"

However, Lin Fan's voice just fell!

Bai Yi hugged him all of a sudden, and said pitifully:

"Because I am afraid, I am really afraid! You are becoming better and better, and there are more and more excellent women around you. I am afraid that one day, I will completely lose you!"

"Husband, you are mine! No one can take you away!"

"Please, tell me who you are?"

Lin Fan was stunned for one, and suddenly felt a warm feeling in his heart.

Right now, he was hugging Bai Yi, with infinite tenderness in his eyes:

"I tell you, I tell you everything!"

At this point, Lin Fan decided to confess his identity, and no longer frightened his own woman.

Bai Yi quickly raised his head and looked at Lin Fan seriously:

"Is what you said true?"

She had always doubted Lin Fan's explanation, but being considerate, she was never willing to ask too much.

If Lin Fan didn't say, she didn't ask!

Do a good job as a wife!

But now it is different. She is aware of the crisis, and there are more and more women around Lin Fan.

It doesn't matter if she is beautiful, and all of them are so good. She is worried that her husband will be snatched away if this continues.

She doesn't want to be so scared anymore!

So she wanted Lin Fan to tell her that Lin Fan's true identity!

But what she didn't expect was that Lin Fan, who had been hiding from her, let go for the first time and promised to tell her her identity.

And Lin Fan, is he finally going to unveil his mystery?

Lin Fan nodded with a smile, stroked Bai Yi's hair and said:

"Tomorrow, I will take you to a place, where you know, you will know everything you want to know!"
