

Chapter: 1754

Hundreds of thousands?

Wang Youcai and Wang Zhijun were taken aback. At this time, they all closed their mouths and dared not talk nonsense.

“Who do you care about? Isn’t there insurance? You can just apply for the insurance and repair it? Is your little white face deliberately trying to cheat me?”

Wang Zhijun said angrily, and began to act like a baby to Wang Youcai again:

“Dad, look at them, what kind of attitude is this!”

Lin Fan looked at a person in his forties and acted like a baby with his 70-year-old Laozi, and almost spit out the food from last night.

Wang Youcai’s face was also pale, and said angrily:

“Okay, let’s talk after dinner!”

After that, a group of people entered the five-star hotel. With the virtues of Wang Youcai and Wang Zhijun, naturally they would not let go of the opportunity to slaughter Bai Yi violently, and directly asked for a box.

The cost of the box alone is as high as 70,000.

This is not the kind of wine and food.

They don’t order the ones that are on the table, and they don’t order anything less than one thousand yuan. You can order anything expensive, abalone, sea ginseng, lobster, etc.

At this moment, Lin Fan can be regarded as experiencing what is called the Xiaomin in the market.

The father and son think that the little bit of kindness to the Baiyi family at the beginning can do whatever they want, right?

This is more than that, Wang Youcai also secretly ordered a bottle of more than two hundred thousand red wine while going to the toilet.

How do they know how to drink red wine simply to kill Bai Yi, who makes Bai Yi rich?

“Dad, don’t forget in a while, help me borrow money from Bai Yi, remember to borrow more!”

Wang Zhijun said cheeky, taking it for granted.

This is the real reason they came to Bai Yi!

At this moment, Wang Youcai glanced at him, and then asked:

“How much do you think is appropriate?”

“Twenty million!”

Wang Zhijun directly opened his mouth and said.

hiss!

Wang Youcai took a breath and looked at Wang Zhijun with wide eyes in disbelief:

“You are so crazy, twenty million? How can we have money to return it to others?”

He is now retiring at home, and his pension is only 10,000 yuan a month.

And Wang Zhijun has been gnawing on this waste for more than 20 years, and he has no money, dare to borrow 20 million?

Will you pay your life at that time?

But Wang Zhijun curled his lips and said with a look of disdain:

“Who said we have to pay it back?”

This is simply a bummer!

Wang Zhijun had already planned to borrow money from Bai Yi as an excuse, but in fact he did not intend to return it to Bai Yi.

“Are you saying you won’t pay it back?”

Wang Youcai asked with a surprised expression.

“What a shit!”

Wang Zhijun snorted coldly, with a deep smug look on his face:

“If we weren’t there, their family would have starved to death, but we saved his life, what happened to some money? They are still not repaying us!”

“And you’ve also seen it. They cost more than 10 million yuan per car.

Isn’t it a casual thing to borrow 20 million?”

Upon hearing this, Wang Youcai was also moved, his eyes full of greed:

“Those 20 million are less, so I need 50 million!”

“That’s right, Dad, you can be tougher in a while!”

“Don’t worry, I will definitely let them pay, they owe us!”

The father and son laughed extremely treacherously, and their faces became a bit hideous.

When Bai Yi saw Wang Youcai and his son returning to the table, they were all stunned.

Because the father and son simply wrote the words “ill-intentioned” directly on their faces, as if they were afraid that others would not know that they were going to make things worse.

“Bai Yi, over the years, your new Bai clan should be quite profitable, right?”

“I heard that your family has lived in super-mansions worth hundreds of millions!”

Ok?

When Bai Yi heard this, he realized that something was wrong.

Then watched Wang Youcai vigilantly:

“Cousin, what do you mean?”

Wang Youcai smiled ho ho and said:

“What do you mean, it’s that your cousin recently owed a foreign debt, the amount is a bit large, and we are too weak.”

“So, I want to borrow some money from you!”
