

Chapter: 1757

Ok?

Wang Youcai and Wang Zhijun were shocked and looked at Lin Fan in disbelief.

“Lin Fan, no!”

“Xiao Fan, don’t!”

Both Shen Yumei and Bai Yi nervously dissuaded them, for fear that Lin Fan would really give the money.

They all know that this family is a bottomless pit and will never be able to fill it up.

And the most important thing is that this money is entirely for meat buns and dogs, there is no return.

It is absolutely impossible for Wang Youcai and Wang Zhijun to have such shameless and contemptuous personalities.

But Lin Fan waved his hand to stop them from continuing.

“You have money?”

Wang Youcai looked at Lin Fan with uncertainty, is this little white face serious?

Lin Fan smiled and didn’t say a word. He directly signed a check for fifty million and threw it in front of Wang Zhijun and Wang Youcai.

At this moment, he and his son were completely stunned. This guy is really rich!

“Your check, isn’t it fake?”

Wang Zhijun looked at Lin Fan with some caution, for fear of being tricked by Lin Fan.

Ho!

Lin Fan chuckled, then stretched out his hand:

“If you don’t want it, then give it back to me!”

Wang Zhijun quickly put the check into his pocket like a miser.

At the same time, he stared at Lin Fan fiercely:

“Don’t blame me for not reminding you, if you let me know that your check is fake, I won’t forgive you lightly.”

“When the time comes, I will go to the Washington Pharmaceuticals that you are cooperating with. Anyway, I am not ashamed of it!”

Hearing this, Shen Yumei’s family trembled with anger. How could there be such a shameless person? This is simply a hooligan.

“Don’t worry, the check will be cashed!”

Lin Fan’s eyes were even more contemptuous, and said:

“But I also hope that you can fulfill your promises, and you will not be allowed to declare that you are kind to our family in the future, and you are not allowed to appear in front of us, otherwise you will be at your own risk!”

laugh!

Wang Youcai and Wang Zhijun both smiled at the same time. What can a little white face eating soft rice do to them?

Dare to threaten them, it’s really funny!

They didn’t even take Lin Fan’s threat at heart.

“Now you can roll!”

Lin Fan directly reprimanded the good-faced.

“Cut, as if anyone wants to stay here, Dad, let’s go!”

Wang Zhijun triumphantly took Wang Youcai and left. Anyway, the money is already in his hands. Does it matter how Lin Fan humiliates them at this time?

“Lin Fan, are you stupid? They simply don’t have any money to return us. These fifty million are simply meat buns and dogs.”

Bai Yi said angrily.

“Of course I know.”

know?

The Bai Yi family was completely stunned, looking at Lin Fan in disbelief:

“Knowing that you are still borrowing, it is not so much money to spend!”

But Lin Fan smiled and gave his own explanation:

“We have just launched the new vaccine, and sales are still good, so there can be no adverse negative news at this time.”

“If you can spend money to solve the problem, try to spend money to solve it, or else just like Ouyang Feifei, you lose 10 billion for no reason. Isn’t it even more uneconomical?”

Hear the words!

Bai Yi sighed and said:

“It’s still your thorough consideration.”

She also knew that with Wang Youcai and Wang Zhijun’s shameless character, if they really couldn’t borrow money, they really couldn’t be sure what they would do.

“Furthermore, it is not a big deal to buy out the kindness in their mouths for fifty million, as long as they really don’t come to harass us in the future.”

Ugh!

Shen Yumei’s family sighed again:

“I hope so!”

.....

After Wang Youcai and Wang Zhijun left, they were ecstatic.

50 million, is this done?

This money is too easy to make, right?

That Lin Fan is simply an idiot, who gave them the money so easily.

“Dad, do you think we are going to be less?”
