

Chapter: 1760

“Don’t worry, grandpa, I won’t let you down.”

Lin Zongrui fully agreed, but he was extremely grateful to his half-brother who hadn’t seen each other.

If it weren’t for Lin Fan, it wouldn’t be easy for him to get the Lin Family, but now it’s different, the Lin Family can only turn to him for help.

And now that several of his brothers are all dead, the position of Lin Family Patriarch can only fall on him.

But at this time, Lin Zongrui answered the phone, and then got up to leave:

“Grandpa, I’m going to set up!”

“Well, my dear grandson, grandpa is waiting for your good news.”

Lin Hongtu said with a smile.

Not long after, Lin Zongrui appeared in a bar box and saw a woman, a woman who had a bloody hatred with Lin Fan.

Mei Yingxue!

“When will you kill Lin Fan?”

She hated Lin Fan so much, and dreamed that she would like to break Lin Fan’s body into pieces, so she didn’t care so much. As long as she could kill Lin Fan, she didn’t care who she cooperated with.

“I have my own plan, don’t worry, take your time!”

Lin Zongrui said indifferently, how could he let Lin Fan die so easily?

The harder it is for Lin Fan to die, doesn’t it appear that Lin Zongrui is more powerful?

Upon hearing this, Mei Yingxue’s face suddenly became extremely ugly, and then angrily said:

“Lin Zongrui, you’d better not get too smug. That guy is not as simple as you think. If you don’t get rid of him by surprise, we will die when he recovers.”

“We planed his mother’s grave, and he will never let us go.”

just!

Lin Zongrui sneered, and said with extreme disdain:

“If you don’t let me go, just rely on that wild seed? Isn’t it the great master? I, Lin Zongrui, have never killed!”

Hear the words!

Mei Yingxue suddenly regretted it, how could she cooperate with such an arrogant idiot, she was really stupid.

If a monster like Lin Fan dared to underestimate his enemy, it would be looking for death, even if it was Lin Zongrui.

Although Mei Yingxue wanted to avenge her son, she didn’t want to lose her life in vain.

Then, she just got up and said coldly:

“It’s up to you. From now on, you and I have nothing to do with you, and I have never participated in your plan.”

With that said, she took her satchel, turned around and left.

“Cut, coward! You are afraid of him, I am not afraid of him!”

Lin Zongrui smiled frivolously:

“Next time, I will directly give Bai Yi’s head to that wild species. You’ll be looking forward to it.”

Hear the words!

Mei Yingxue shook her head, contemptuous of Lin Zongrui in her heart.

Originally, the assassination was made to be unprepared, but Lin Zongrui sent a coffin in advance. Doesn’t this mean that Lin Fan was reminded invisibly?

As a result, Lin Fan was on guard, and the success rate of killing him instantly dropped several levels.

This behavior is too conceited!

But the moment Mei Yingxue opened the door, she suddenly saw someone standing at the door, grinning at her.

“Lin...Lin Fan???”

Mei Yingxue yelled in horror, and at the same time stepped back, the devil came to her door.

Lin Fan looked like a troublesome person, pushed the door directly in, and said with a smile:

“It turns out that you were also involved, that’s just right! Let’s solve it together today!”

And behind him, Zhang Jianjun followed, and Zhang Jianjun also wanted to see how Lin Fan cleaned up Lin Zongrui.

He is now investigating Lin Zongrui’s identity, the high-level of the church, even if he sees it, he will have to take a detour.

Lin Zongrui in it was also stunned, looking at the man who was somewhat similar to him, and then instantly sneered.

“Are you the wild species born from that idiot Song Yao?”

She spoke with humiliation and didn’t put Lin Fan in her eyes at all.
