

Chapter: 1762

“Damn it, the old man has never seen such a strong murderous in his life, how did you provoke such a monster?”

“This is not a human at all! It’s a devil!”

Mei Yingxue and the others were shocked. Lin Fan’s state in front of him was like a murderous madman, and people couldn’t help their scalp tingling at the first glance.

“Lin Zongrui, are you dumb? Find a way!”

Mei Yingxue yelled at Lin Zongrui, she was going crazy at this moment, she shouldn’t listen to this idiot’s nonsense.

As a result, I ended up like this!

But Lin Zongrui had a relaxed expression and said disdainfully:

“Why, isn’t it just a great master?”

what!

Mei Yingxue looked at Lin Zongrui in disbelief, it was already this time, and Lin Zongrui didn’t even care.

Is there any other means for this guy to fail?

Thinking of this, Mei Yingxue was ecstatic, and then said:

“Shao Lin, if you have any means, please use it as soon as possible!”

then!

Lin Zongrui looked at Lin Fan condescendingly, as if looking at an ant:

“Even if you are a great master, you can’t change the fact that your blood is low. A lowly like you is not worthy of being compared with aristocrats like me!”

“Now, I will let you see the power of the nobility!”

Bang bang bang!

Lin Zongrui patted his palms directly.

then!

Boom!

There was a terrible roar suddenly outside there!

Several helicopters appeared at the same time, there were countless armored vehicles, and even tanks!

This is simply a small army armor!

Seeing the large crowd of people crushed by the black, everyone was completely stunned. It seemed that they couldn’t believe that Lin Zongrui was able to use such power in a place like the imperial capital.

It can be called the hands and the eyes!

The temple is really terrible!

After seeing the other party’s uniform, Mei Yingxue and the others were completely stunned.

“The dark hall! This is a branch of the temple and is responsible for assassinations!”

It is said that this mysterious assassin organization once assassinated a country lord a long time ago!

Seeing this, Zhang Jianjun couldn’t help but change his expression and said angrily:

“Lin Zongrui, you dare to bring mercenaries into China, you are breaking China’s laws!”

But Lin Zongrui didn’t care and sneered:

“Who knows? After today, these people will disappear completely, as if they have never appeared before. Who will find them?”

“Zhang Bu, I have respect for you, so I hope I don’t want to be arrogant and leave as soon as possible.”

“It won’t be good if the sword loses its eyes for a while and hurts you by mistake.”

And Zhang Jianjun just smiled:

“Only you want to be an enemy of Mr. Lin, and you don’t take a piss to show your own virtues.”

Upon hearing this, Lin Zongrui became furious:

“My parents are all nobles, and my body is also full of noble blood. Why does this wild breed compare to me?”

Lin Fan and Zhang Jianjun both laughed, and they didn’t know how superior Lin Zongrui really was, they kept talking about blood.

It’s as if he is full of royal blood, which is ridiculous!

Zhang Jianjun directly mocked:

“You pretend to be high-minded, thinking that if you have the Lin family and the temple to support you, can you be arrogant? I tell you, compared to Mr. Lin, you are not even qualified to give him shoes!”

“I advise you to apologize to Mr. Lin as soon as possible, otherwise, your Lin family will really end up!”

boom!

Listening to Zhang Jianjun’s humiliation, Lin Zongrui was completely furious!

Ask him, a natural nobleman, to apologize to Lin Fan. What are you kidding? What qualifications does this bastard have to make him apologize?

This is just bullshit!

“Zhang Jianjun, since you are shameless, don’t blame me for being impolite to you. Come, along with this old immortal, will be slaughtered for me!”

“As for Lin Fan, you wild species, I won’t let you die too easily. This time it will be your mother’s bones, and the next time it will be Bai Yi’s head.”

Lin Fan suddenly had cold eyes, and said sharply:

“You have no chance!”
