

# Chapter: 1768

Lin Zongrui laughed wildly.

“Idiot, what an idiot!”

Lin Zhanli shook his head vigorously, his face was full of banter, as if he was looking at a dead person.

Lin Fan’s behavior was too impulsive and stupid.

He didn’t even know how terrifying Xu Longguan was. He wanted to kill a great master as casually as pinching an ant.

But Lin Fan, a newborn calf, was not afraid of tigers, but he didn’t know that he had already ruined his life invisibly.

At this moment, all the Lin family members laughed happily, as if Lin Fan at this time was a dying person in their eyes.

They felt that the entire Huaxia couldn’t find anyone more arrogant than Lin Fan, so they dared to openly challenge Xu Longguan?

Does this guy have a brain problem?

It’s not like looking for death, right?

Lin Hongtu was very excited. Seeing Lin Fan so reckless, he almost jumped up with excitement.

It’s all right now, this damn dog thing will be in bad luck right away.

Before long, he will become a dead man!

This thorn in the eye will be removed soon!

And after seeing Lin Fan’s relentless provocations on the other end, Xu Longguan was also completely furious:

“You dare to talk to me like this, do you know who I am?”

Ho ho!

Lin Fan sneered, and when he saw that the score was not useful, did he begin to show his identity?

“Xu Longguan, one of China’s four major military seats, but what about that? Whoever dares to block my way will die!”

“Military seat, you can kill it!”

Wow!

Everyone was completely stunned at this moment!

What a domineering remark!

Can you kill even the army seat?

Everyone was completely stunned by Lin Fan’s arrogance at this moment!

This kid, is this going to break the rhythm of the sky?

Knowing that the man on the other end is Xu Longguan, how dare to speak like this?

frenzied!

At this time, Lin Hongtu and others began to feel uneasy, and they seemed to have realized that the guy in front of them was completely crazy.

He even did not hesitate to die with their Lin family, and would kill Lin Zongrui?

Not bad!

In their opinion, the reason why Lin Fan dared to be so arrogant was because he wanted to die with Lin Zongrui!

“you!”

Xu Longguan was so angry that he couldn’t speak. Since sitting in the army seat, no one has ever dared to talk to him like this.

This kid actually said to kill him?

In front of so many people, don’t give him any face?

Damn it!

This kid is damned!

“Boy, if the Lin family loses a hair today, I promise Longguan I will razing everything you have to the ground at all costs!”

“Destroyed!!”

Xu Longguan roared fiercely, already completely angry at this time.

“I, Lin Fan, want to kill people, no one can stop them!”

“If you want to go head-to-head with me, I will wait for you in the imperial capital!”

then!

Lin Fan directly smashed the phone to the ground instantly.

Bang!

Lin Hongtu’s mobile phone was instantly shattered!

At the same time, there was also the strained nerves of Lin Hongtu and others.

crazy!

This guy is really crazy!

Even Xu Longguan didn’t take it seriously, and even dared to threaten to wait for Xu Longguan to find him in the Imperial Capital?

This guy is too frantic!

At this moment, Lin Zongrui suddenly tightened, because he knew very well that Lin Fan was going to attack him next.

then!

Lin Fan walked towards Lin Zongrui.

See it!

Lin Hongtu was also panicked. Lin Zongrui was the only heir of their Lin family. If he even died, then the Lin family would really have no successor!

“Lin Fan, don’t mess around, I warn you!”

Lin Hongtu shouted loudly:

“If you dare to touch Lin Zongrui’s hair, I promise you will die!”

boom!

With a wave of his hand, Lin Fan directly shot Lin Hongtu out.
