

Chapter: 1769

Lin Hongtu vomited blood on the spot and hit the ground hard with a pained expression. Lin Fan almost took his old bones apart.

“Dad, are you okay?”

Lin Zhanfei nervously supported Lin Hongtu, and at the same time glared at Lin Fan:

“Lin Fan, you beast, how dare you hit your grandpa?”

Lin Fan’s icy and deep gaze swept over here with determination.

Just a glance made Lin Zhanli feel a numb scalp, and he didn’t dare to speak anymore, for fear that the next sentence would completely irritate Lin Fan and end up just like Lin Hongtu.

Then, Lin Fan appeared in front of Lin Zongrui, with a smirk on his face:

“game over!”

The end of the game means that Lin Zongrui can die!

When Lin Zongrui heard this, his whole body trembled madly.

boom!

But just when Lin Fan was about to take a shot, a dangerous aura instantly struck from outside the door, and then burst into Lin Fan’s back!

“King, be careful!”

The blood prison mad god roared anxiously.

Lin Fan frowned, turned around and blasted out his fists, followed by the two people who had been shot out suddenly, and they all flew out!

The two of them didn’t think that Lin Fan was so good, and they staggered for a long time before they finally stopped the decline.

At this time, everyone saw the position at the door, and didn’t know when seven figures had appeared.

“It’s the seven sins of the temple!”

Everyone was completely stunned when they saw each other.

They all knew the origin and horror of the other party. These seven people were invincible in the entire European land, and there were countless masters who died under them.

The Lin family also didn’t expect that the temple would actually send this backbone force, and the status of these seven people in the temple was definitely among the best.

It can be seen how deep the temple’s hatred of the Blood Prison is. As soon as it heard that the Blood Prison assisted Lin Fan to kill Lin Zongrui, it directly dispatched the terrifying Seven Original Sins.

Its purpose is undoubtedly to completely annihilate the blood hell!

Even the Blood Prison Mad God couldn’t help frowning after seeing them.

If it is one-on-one, he is not afraid of any of the seven, but once the seven join hands, then he has no chance of winning.

Because these people are an unbreakable team, after years of life and death, teamwork has long allowed the seven of them to form an extremely terrible sense of understanding.

So once these seven people make a move, the degree of coordination can be said to be seamless and extremely difficult!

“You can stop my blow, boy, you are interesting!”

A blond man spoke, and he spoke fluent English.

However, Lin Fan glanced at him indifferently, and then said very shamelessly:

“If you don’t want to die, just get out!”

Ok?

The Seven Original Sins were completely angered, and it was the first time they encountered such a lifeless existence, dare to look down upon them?

Even the strongest blood prison mad god here has to avoid his edge when facing seven of them at the same time, but he is just a small master, dare not to put them in his eyes.

“Humble dog, I will break your corpse into pieces and make you pay for your conceit!”

A big fat man with a tea beard scolded angrily, his eyes gleaming viciously, just staring at Lin Fan maliciously.

“kill!”

After that, the seven original sins rushed towards Lin Fan, without even looking at the mad god of blood prison, it was enough to see how confident they were!

just!

Then they regretted it!

Because at the moment they came to kill, Lin Fan was already like a ghost, taking the lead in taking the action, and his figure suddenly burst out!

Then a hand suddenly rushed out towards the tea beard at the front!
