

# Chapter: 1772

He naturally knows Bai Yi, and he also admires that a woman can make a small company international, and the most important thing is that Bai Yi is beautiful and so beautiful.

Since he saw Bai Yi the first time, he was tempted by this stunner, not thinking that she turned out to be Wang Zhijun, an idiot cousin.

Hear the words!

Wu Zhizhong sneered and looked at Wang Zhijun:

“Boss Wang, let’s do this, you call your cousin and let her accompany me to bed. I don’t need you to pay back your ten million.”

This!

Wang Zhijun’s expression hesitated, and said:

“But she is already married!”

Snapped!

Wu Zhizhong directly slapped Wang Zhijun, causing him to lose a few teeth and crying in pain.

“I just want to fuck with her. Whether she marries or not is it my shit?”

Wu Zhizhong is an extremely cold-blooded person. He doesn’t love anyone, let alone marry any woman.

The reason why I look for a woman is just to vent my animal desires.

Wang Zhijun was shocked at once, and then quickly agreed:

“Don’t worry, I will call my cousin now and ask her to come and accompany you to bed!”

In order to survive, Wang Zhijun chose to sacrifice Bai Yi without hesitation.

Anyway, just accompany Wu Zhizhong to sleep without losing a piece of meat, which is not a big deal.

And just now!

A man came to Wu Zhizhong’s side and said:

“Little prince, the representative of Washington Pharmaceuticals is here!”

Wu Zhizhong nodded lightly, and then said:

“Let her in!”

Not long after, the representative of Washington Pharmaceuticals was brought in, and it turned out to be Xu Yourong!

hiss!

After seeing Xu Yourong, Wu Zhizhong took a breath of air-conditioning.

This turned out to be a beauty with a temperament and appearance that was not inferior to Bai Yi. With such good luck, he was able to see two stunning beauties on the same day?

Right now, his expression became a little weird, and he stared at Xu Yourong unkindly.

It looked like he wanted to swallow Xu Yourong in one bite.

And Xu Yourong also noticed the unfriendly look in Wu Zhizhong’s eyes, and even said with a stiff expression:

“Little prince, can we start talking about the contract?”

There is a saying in the imperial capital that if you want to do business, you must first meet Wu Zhizhong’s.

Therefore, Xu Yourong came and intends to reach a cooperation with Wu Zhizhong. Once he can reach a cooperation with Wu Zhizhong, a major customer, he will be able to gain a firm foothold in DC Pharmaceuticals if he wants to come.

In this way, the genius Doctor Lin, who he admired, looked at himself differently.

just!

Wu Zhizhong had a different mind, and said with a smile:

“Hey, why should Miss Xu be so anxious, come! Let’s have a drink first, and we can talk about cooperation slowly!”

This...

Xu Yourong’s expression was a little hesitant, because she could clearly see that the man in front of her was plotting against her.

She is worried that once she drinks alcohol, something big will happen!

Seeing Xu Yourong hesitating, Wu Zhizhong’s face suddenly sank:

“Miss Xu, are you planning to give Wu Zhizhong this thin noodle?”

In the imperial capital, there has never been anyone who would dare not give him Wu Zhizhong’s face.

What kind of thing is Xu Yourong? Zhang Jianjun of Washington Pharmaceuticals has to take a detour when he sees him. What’s so arrogant about her, a small employee?

And there is nothing he can’t get from the woman Wu Zhizhong is fond of.

“Yourong, why are you here?”

But at this time, Wang Zhijun exclaimed. He was also a relative, and he naturally recognized Xu Yourong.

“Cousin?”

Xu Yourong was also taken aback, as if he didn’t even think that the other party would appear here.

Not just them!

Wu Zhizhong was also stunned. Xu Yourong turned out to be Wang Zhijun’s cousin, so she was Bai Yi’s cousin?

Today myself, is this going to enjoy the sisters spent?

Thinking of this, Wu Zhizhong immediately blossomed with joy, and then smiled:

“This is the flood of water rushing into the Dragon King Temple, the family doesn’t know the family!”

“Miss Xu, you think your cousin and I are good friends. With him here, are you still afraid of what I will do to you?”
