

# Chapter: 1785

For an instant, everyone in the Continental Hotel broke into a cold sweat, looking at this terrifying young man in disbelief.

At this time, it was like a dream.

At this time, Li Yutang's expression was also particularly ugly. From Lin Fan's shot, he could see that the young man in front of him couldn't deal with it.

No wonder Lin Fan dared to run wild in the mainland hotel, Lin Fan did have such an ability.

“What did Wu Zhizhong do to make you have to kill him?”

Li Yutang asked with an ugly expression, and now he knew that the power of the Continental Hotel could not stop this man. He was a hundred times more terrifying than he had imagined.

Grandmaster Lin is definitely an alien among the great masters, I'm afraid that if He Lanxuan doesn't make a move, he can't be helped.

Only time can be delayed at this time.

Lin Fan smiled:

“He wants to sleep with my wife, and he wants to crippled me, what do you say he did?”

“You said he should die?”

Li Yutang's expression was over again, Wu Zhizhong was still rebellious, often beating other people's wives with the idea.

But this time, he just provokes an existence that cannot be offended.

This is ground breaking on Tai Sui's head, it's completely looking for death!

After sighing, Li Yutang's tone suddenly eased a lot:

As long as you let Wu Zhizhong go, you will be a friend of our Continental Hotel from now on, and we owe you a great favor.

Ho ho!

Lin Fan was immediately amused:

“The hard ones can't do it, right now, the soft ones? It's a pity that I, Lin Fan, don't eat hard and hard. There is no doubt that Wu Zhizhong will die today. Whoever dares to stop me will have to die!”

what!

Li Yutang's face changed rapidly, and a deep anger appeared in his eyes.

I've already talked about it, but the other party still refuses to give him face?

Right now, Li Yutang roared:

“Then you will become a great enemy of my mainland hotel. Your friends, your family, and all people related to you will not die because of you!”

Huh!

But in the next instant, everyone saw that Lin Fan had appeared in front of Li Yutang with murderous intent on his face.

Then a punch suddenly blasted out!

There is no nonsense, just hit the killer directly!

Upon seeing this, Li Yutang's pupils shrank fiercely, and he deeply realized that this kid in front of him was a madman through and through!

He really planned to fight to the end with the Continental Hotel!

Seeing Lin Fan punching strongly, Li Yutang realized that he could only bite the bullet at this moment, and someone immediately blasted out angrily.

A fierce collision with it!

boom!

With a muffled noise, Li Yutang's whole body flew out in an instant, and slammed heavily on the ground, completely weakened.

And his arm, twisted at a tragic angle, was unexpectedly interrupted.

Defeat a great master in one punch?

how can that be!

No matter how strong Lin Fan is, he wouldn't be exaggerated to such a degree, right?

Seeing that Li Yutang didn't even have the slightest room for resistance, he was already blown away by Lin Fan with a punch, and Wu Zhizhong and others were already dumbfounded!

Not only them!

Even Li Yutang was shocked and unbelievable.

Is he dreaming?

Today's terrifying strength, he has only seen He Lanxuan's body.

Only He Lanxuan's existence can defeat him so easily.

Is this guy also superb?

This is impossible!

There is no such young person in the world, this is absolutely impossible!

When he saw Li Yutang's defeat, Wu Zhizhong suddenly numbed his scalp.

Because he knew that if Lin Fan couldn't even leave Yutang, then he would only have a dead end.

“Lin Fan, what do you want to do? I am He Lanxuan's most respected junior. If you kill me, my uncle will never let you go.”

“Do you really want to cause misfortune for your whole family because of your own selfish desires?”

“It's better for you and me to sit down, have a good talk, and turn the fighting into jade, okay?”
