

Chapter: 1789

No matter how Xu Yourong touched him, Wang Yanli pushed and shoved him to the hotel box in the end.

Xu Yourong's heart has always been anxious, always feeling that something is wrong.

"Ms. Xu Yourong, right? Come on, come and sit down, this is a cocktail specially prepared for you!"

Li Yinsheng licked his lips and greeted Xu Yourong. He squinted his eyes and looked up and down at her. When he hit him, his eyes lit up when he saw Xu Yourong.

It really is a rare stunner!

"Excuse me, Mr. Li...I don't know how to drink..."

Xu Yourong declined and said, she is not a fool, in such a place, she would never drink if she could not drink.

"Oh, don't pretend, don't you even believe me? Could Mom still harm you?"

As Wang Yanli spoke, she pulled Xu Yourong and drank a full glass of wine.

Xu Yourong frowned tightly, this was not right, neither the wine nor Wang Yanli's reaction was right.

Xu Yourong took advantage of the free time when everyone was toasting to Li Wenzhao, and sent a help message to Lin Fan.

At this time, she can only rely on Lin Fan!

And seeing Xu Yourong drinking, Wang Yanli and Li Yinsheng exchanged glances, and both laughed maliciously.

Then, Wang Yanli left the box on the excuse of the toilet.

After a few more laps of drinking, Xu Yourong became a little groggy, raising his head and asking:

"Mr. Li, it's too early, look..."

Xu Yourong didn't finish speaking, so Li Yinsheng grabbed him.

"It's late? Do you think you can escape when you get here? Your mother sold you to me long ago!"

Li Yinsheng smiled and said, pulling Xu Yourong's hair and pulling her up.

Xu Yourong was in pain, opened his mouth slightly, and Li Yinsheng picked up the cup and poured it down.

Drinks and tears slipped from Xu Yourong's white neck...

She finally realized that she had let her loved ones betrayed!

At this time, Wang Yanli was also happy, thinking that waiting for Xu Yourong and Li Yinsheng to cook mature rice for a while, Xu Yourong would not be able to agree or not.

Next to a rich man like Li Yinsheng, the family will not worry about food and drink in the future, and walked to the toilet while thinking about Wang Yanli.

Unexpectedly, Wang Yanli happened to ran into Lin Fan who was walking outside the door.

Wang Yanli glanced at Lin Fan in disgust, smashed him away and hurriedly went to the private room, feeling that this kid must have been called by the dead girl.

Lin Fan frowned slightly, and Wang Yanli's abnormal expression made his face sink?

Zhang Jianjun saw this scene not far away, and was caught by Lin Fan as soon as he wanted to catch up.

"Don't act rashly, go and find out which box she went to and what she did!"

...

When Wang Yanli arrived, Xu Yourong was already crying into tears, her whole body was already groggy, and the sensation in her body was passing by.

"Mom! Please take me away! I beg you!"

Seeing Wang Yanli's Xu Yourong, he opened his eyes as if he had touched a life-saving straw when he was about to sink into the bottom of the lake.

There were also a few more slap marks on his face, which was obviously a severe beating!

However, Xu Yourong had never thought that Wang Yanli seemed to have seen her, and smiled to please Li Yinsheng, the assailant:

"Hey, Mr. Li, if you are interested in Keqing, why bother? Just tell me about this kind of thing? If I get her drunk, you can do whatever you want."

Xu Yourong was stunned, she couldn't believe that this was what her mother said.

"Mom, what are you talking about?"

She pulled Wang Yanli's arm hard, and asked in disbelief.

Unexpectedly, Wang Yanli threw it away. Wang Yanli said to Xu Yourong with a cold face:

"What are you doing? Li always sees you as your blessing, don't know what is good or bad!"

Xu Yourong's tears poured out, this is her trusted mother!

"I want to go! Let me go!"

She just got up and rushed out

"Wang Yanli, I have already said that you are mine today, don't expect to run away!"

Li Yinsheng reached out and grabbed Xu Yourong's coat, jokingly behind Xu Yourong.

But Xu Yourong was like crazy, taking off his coat a few times, revealing the bottoming sweater inside, and rushed to the door.

But Li Yinsheng quickly followed, a few steps away.

A few steps... She was only a few steps away from the door! Xu Yourong's tears could not stop pouring down.

It happened to be in the arms of a person at the door of the private room, making her extremely at ease

"My grass, you damn girl! It hurts me so much!"

"Lin Fan, are you finally here?"

Lin Fan looked at Wang Yanli, whose face was full of scars, and her eyes burst with cold light:

"Well, here I am!"
