

Chapter: 1798

Xu Dexiang yelled to his feet and said angrily.

“Fart! Our mother is not thin to us on weekdays, and her old man is still dead. How can you say such unfeeling words?”

Wang Yanli knew that she was wrong, and she wailed her defense.

“I don’t mean anything else. I just want to prepare earlier, so as not to panic later.”

At this time, Wang Youcai looked at Baishan with a smirk:

“Baishan, isn’t your Xin Bai cooperating with Yao Lao? Why don’t you let your waste go to Yao Lao. The famous genius doctor who is Yao Lao must surely cure her with medicine?”

Cheer up!

Deliberately cheating!

Wang Yanli immediately added fuel and jealousy: “Yes, except for Yao Lao in China, it is estimated that no one can save the mother-in-law. Just let the waste of your family run around, and ask Yao Lao to come over for treatment, and he will be considered for our family. force.”

Lin Fan can invite Yao Lao, even if the old lady is cured, it will not change Lin Fan’s image of “waste”.

If Lin Fan can’t invite Yao Lao, then they can “beat down the dog” and take the opportunity to embarrass this nasty fellow Lin Fan.

Why couldn’t Wang Yanli see her true intentions, she immediately refused.

Bai Yi’s face flushed with anger when she heard them belittle her man in this way.

Ask someone to help, is that attitude?

But here she suffered from inconvenience, so she had to gently hold Lin Fan’s hand, and sent Lin Fan comfort with her eyes.

Lin Fan blinked and smiled at his own woman, indicating that he didn’t care about their derogation.

However, Wang Youcai sneered and reluctantly said: “Lin Fan, why are you not talking? Isn’t your family very good? Why, Yao Lao is willing to give this little face? So, you Xin Bai family Not so much!”

Everyone in the room looked at Lin Fan.

Xu Dexiang said: “Xiao Fan, if Yao Lao is over there, if you can speak, please take a trip and ask Yao Lao to come over to see the old lady. Our whole family will be grateful to you.”

Until the last moment, Xu Dexiang will not give up rescuing his mother.

But Lin Fan took a step forward and replied loudly, “Actually, you don’t need to ask Yao to come over.”

“Don’t ask Yao Lao? Then who will save the old lady, rely on you as a waste?”

Wang Youcai sneered immediately.

There was a burst of untimely laughter in the bedroom.

Everyone at the scene looked at Lin Fan contemptuously.

Wang Yanli also cast a disgusting look at Lin Fan: “If he really has that ability, does he need to eat soft rice?”

“You are very happy, aren’t you?” Xu Dexiang accused angrily.

“Looking at the elders dying, one by one is not sad, but they are incredibly happy, right?!”

The bedroom fell into an awkward silence.

Wang Yanli stammered and said, “Dexiang, don’t be angry. Mother-in-law and her elderly are critically ill. Of course we are very sad. It’s just that we didn’t want to ask Yao Lao after seeing the trash, and made it clear that she didn’t want to help.”

Xu Dexiang glanced at her dissatisfied and asked Lin Fan again.

“Lin Fan, you said you don’t need to ask Yao to come over, then do you have other ways to save the old lady?”

Lin Fan said: “I have a method that can save the life of the old lady!”

Really?

Everyone suddenly lit up and looked at Lin Fan in disbelief.

Is this guy serious?

Then everyone saw Lin Fan took out a medicine bottle, poured out a dark pill, and said:

“Here is a soul-recovering pill, which can be extended by the old lady for another five years!”

Last five years?

Everyone’s eyes are about to stare out!

Isn’t that like an elixir?

What kind of medicine is so magical?

Everyone immediately looked at Lin Fan with an expression of seeing a ghost, and their eyes were full of shock.

Wang Youcai sneered again and said, “Don’t let him talk nonsense there, just this small black bottle, what kind of miraculous medicine, deceive ghosts!”
