

Chapter: 1807

Wang Youcai took Wang Yanli's hand: "Yanli, we don't need to worry about these things. Didn't Zhijun say that someone will clean up Lin Fan's waste and vent our anger for us?"

"I'm just afraid of getting into trouble, brother."

Wang Yanli said, but after being so instigated by Wang Youcai and Wang Zhijun, she also felt relieved.

"Let's go, let's go, I invite you to have tea." Wang Zhijun said with a smile, and dragged Wang Yanli to the car she had just bought.

Of course, with Bai Yi's money!

And Wang Yanli also smiled and nodded. It was too late for her to be happy if someone could teach Lin Fan the trash.

It was Lin Fan's trash that messed up her daughter's good marriage, and the future son-in-law Li Yinsheng also died, causing them to miss a great opportunity to cling to the rich.

Now she was waiting for Huo Dongying to express the evil in her chest for her.

More than ten minutes later, Huo Dongying drove the car to the hospital downstairs and told the four men in the car to stay safe.

He got out of the car, picked up the phone and dialed Xu Yourong's number.

Xu Yourong upstairs had to answer the phone because of his affection. Huo Dongying grinned and asked, "Yourong, where are you? I'll pick you up and go to the concert with you tonight, the most popular group Yihan's special concert."

When Xu Yourong heard that it was Huo Dongying, his face suddenly became cold, and said angrily:

"Sorry, I don't have time to go to the concert, my grandma is sick, and I'm with my grandma."

"What? Is grandma sick?" Huo Dongying looked upstairs, pretending to be surprised, "Then I will come and visit her old man."

Xu Yourong hurriedly rebuffed, "No, my grandma is just a little unwell, and it's not a serious illness. Besides, you have a lot of things, so I won't bother you to come over in person."

Huo Dongying smiled weirdly: "It's no trouble, I'm downstairs in the hospital right now, wait a moment, I'll go upstairs right now."

Xu Yourong hurriedly persuaded: "No, no, my boyfriend is here too. If you come up, you might make him very angry, and you might get into fights."

He can't let Huo Dongying come up!

Otherwise, Lin Fan was her boyfriend's lie, wouldn't it be exposed?

At that time, Huo Dongying will definitely pester herself like a dog skin plaster again!

"Hoho, boyfriend? Is that trash there?" Huo Dongying sneered, "I'm just trying to get him to settle. I want to ask him, when does he want to occupy you?"

Huo Dongying yelled loudly, anyway, Xu Yourong is no longer with that big man now, so there is nothing wrong with how he pretends to be coercive.

And Huo Dongying just went to investigate, Lin Fan is a man who loves his wife very much, he is already married, and the object is Xu Yourong's cousin.

Based on his understanding of Xu Yourong, Xu Yourong would never touch his cousin's husband, which means that he let Xu Yourong play tricks.

Lin Fan is not Xu Yourong's boyfriend at all!

At this time, Lin Fan's voice came from the phone.

"Huo Dongying, I said, you'd better stay away from my woman. It seems that you are toasting and wanting to drink fine wine!"

"Which onion are you? Xu Yourong is the woman I like. I advise you to stay away from her, or I will make you unable to eat and walk around!" Huo Dongying cursed loudly.

"Oh? Why do you keep me running around without eating?"

Lin Fan smiled, this guy can't hear his own voice?

Huo Dongying suddenly snorted and said:

"I'm downstairs in the hospital right now. I will give you three minutes. If you don't get out, I will go upstairs to clean you up!"

"Well, you don't need to come upstairs, I will go downstairs now."

Lin Fan hung up the phone after speaking, and opened the door of the ward with a sneer.

At this time, Bai Yi was staring at Xu Yourong with a slight hostility.
