

Chapter: 1813

Wang Yanli gritted her teeth and said:

“Forget it, let’s talk about it later! Anyway, dealing with a little white face like Lin Fan eating soft rice is not a matter of minutes, don’t worry!”

At night, Lin Fan dialed a mysterious number in his room.

In the dark space, his eyes flashed sharply like flames.

A respectful voice came from the other end of the phone.

“Wang, what is your order?”

Lin Fan asked: “What I asked you to plan, how is it going now?”

“We have just figured out all the Lin family’s situation, whether to do it, and in what way to do it, and we have to ask Wang Dingduo.”

The blood prison mad god replied on the phone.

“Let’s talk about the cost of destroying the Lin family.”

Lin Fan asked.

The other party immediately introduced Lin Fan on the phone.

The Lin family has assets of more than one trillion yuan, has multiple subsidiaries, and is involved in real estate, manufacturing, entertainment, and catering industries. In recent years, the development has been extremely strong. Even if its vitality was severely injured before, it is not easy to overthrow them directly and justly.

“Ho ho, it is indeed China’s most prestigious business empire!”

Lin Fan smiled,

“It seems that things are getting more and more interesting!”

The bloody mad god on the other end of the phone said coldly:

“King, you are the king of the underground world who rules thousands of demons. No one can provoke you. Just one order from you, your subordinates will rack their brains and let them disappear from this world!”

A wicked smile hung on the corner of Lin Fan’s mouth.

“Then, let’s start!”

The next day, Lin Fan and Bai Yi were awakened by a fierce quarrel.

When the two walked out of the room, they saw Wang Yanli scolding loudly in the hotel living room.

“Baishan, I tell you, even if you happen to save the old lady’s life, don’t want to get arrogant in our Xu family! We don’t eat yours, broom star! My family missed a golden turtle, I Remember your whole life!”

Then came the peaceful and defensive voice of Baishan:

“Cousin, I am grandma’s nephew. It is something my younger generation should do to save her old man. What’s so arrogant about this?”

“Still pretending to be garlic? How much good do you indulge in that waste in your family broke us, and yesterday asked him to instigate Yourong to act as a shield for him, hurting all of Huo’s friends!”

“That kid Huo Dongying gathered four people to attack me. Wouldn’t you be happy if I was wounded by them, or even killed by them? Besides, I don’t want Yourong to act as a shield.”

Lin Fan walked downstairs with a sneer and looked at each other coldly.

“Trash, you can be regarded as a waste. If you do bad things once, let me do good things. If you want to do bad things for the second time, I think you want our family to be able to marry you! I will kill you as a trash!”

Wang Yanli yelled that she would step forward to teach Lin Fan.

Immediately afterwards, there was a crisp “pop”.

Lin Fan slapped Lin Fan hard on Wang Yanli’s face.

“You...you trash, how dare you hit me?”

Wang Yanli was dumbfounded, she looked like she couldn’t believe it.

Why should he beat herself with this trash, she is an elder!

And the Bai family clearly owes their family’s life-saving grace!

Xu Yourong’s heart tightened, and was very angry at her mother’s bad behavior, and hurriedly got up to get dressed.

In the living room, Xu Dexiang said angrily.

“Yanli, what are you doing?! Lin Fan saved her mother’s life. You don’t want to be grateful. Why do you come here to make trouble early in the morning and insult and beat him? You are too shameless!”

Wang Yanli said with one hand on her hips and Xu Dexiang’s nose with one hand.

“You don’t die, you shut up! I hit him and he asked for it. Whoever made him a trash, even if trash is bad for our good deeds, I will beat him if I want to beat him. If you dare to quarrel again, I’ll fight with you!”
