

Chapter: 1821

You heard that just now, he still wants to be disrespectful to your wife, but I don't say anything!

Hearing this, Huo Dongying jumped into thunder in an instant, staring at Chen Ju angrily and questioning:

“Chen Ju, what do you mean by this? Are you trying to betray the Lin Family? If you let the Lin Family know what you did, both you and Lin Fan must die!”

“The consequences of angering the Lin family are very serious. If you don't think about yourself, you have to think about your family, Chen Ju!”

Hear the words!

Chen Ju immediately walked to Huo Dongying in furious anger, gave him a loud slap in the face, and sternly cursed:

“What the hell, the Lin family made Laozi almost lost his black hat, and dare to offend Mr. Lin, they are going to die!”

At this time, Chen Ju obviously turned aside.

It's a pity that Lin Fan doesn't take this set at all, and sneered:

“Okay, don't stop acting, Huo Dongying, I won't let it go! Chen Ju, you, I won't let it go!”

what!

Chen Ju suddenly cried and looked sad, as if his parents were dead:

“Mr. Lin, this matter really has nothing to do with me, your lord has a lot, so just forgive me this time!”

“You let Huo Dongying sit through the prison, I will spare you not to die!”

Lin Fan looked at Chen Ju and said lightly.

A word to wake up the dreamer, Chen Ju immediately announced loudly:

“Someone caught him!”

Now!

A group of law enforcement officers strode forward and directly put Huo Dongying up.

“Chen Jiansheng, you bastard, you dare to betray the Lin family, I tell you, you are done! The Lin family will not let you go!”

“Stop it! You guys stop it! This young master is acting on the orders of the Lin family. You treat me like this, you are looking for death!”

This time, Chen Jiansheng was irritating. He picked up a baton and rushed directly to Huo Dongying, banging his head and covering his face.

Huo Dongying was beaten up and screamed again and again, and was quickly knocked to the ground, completely fainted.

Even if he knew some fists, he couldn't hold back the crowds of Chen Ju, not to mention the dragon and tiger war gods standing beside him staring at him.

After Chen Ju was tired from the fight, he stopped his hand, and stood aside out of breath, finger Huo Dongying cursed:

“Damn, you kid, don't you feel uncomfortable not to be beaten? You dare to be arrogant in front of Mr. Lin. I think you are looking for death. I will let the law enforcement officers continue to play with you now!”

At this moment, Huo Dongying was beaten with a bruise and swollen face, with a trace of blood hanging on the corner of his mouth, and footprints all over his body.

He curled his neck, and said in a low voice:

“Don't fight, I dare not, never dare to do it again.”

Chen Ju cleaned up his clothes and waved.

“take away!”

Two law enforcement officers dragged Huo Dongying out.

“Mr. Lin Fan, look, are you satisfied if I deal with it this way? If you are not satisfied, we will improve it.”

Chen Ju asked Lin Fan with a smile on his face.

Lin Fan smiled and nodded:

“Yes, so be it.”

After speaking, he turned and walked outside.

“Mr. Lin Fan, do you want to send a car to take you home?”

Chen Ju quickly followed in Lin Fan's footsteps and asked with a smile:

“Just show your face, let me drive you home, and let me make up for my fault.”

Lin Fan smiled and waved his hand:

“Then you don't have to, you are busy at work, I will go home after a taxi.”

Lin Fan refused the other party's goodwill, and he still looked down on such things.

Although Chen Ju was disappointed, he hurried to the side of the road and stopped a taxi, waiting for Lin Fan to come slowly.

Then he opened the car door specially for Lin Fan, stood aside, covered the top of the car door with his hand, and asked Lin Fan to get in the car.

Very respectfully watched the taxi take Lin Fan away.

With all this last night, he breathed a long sigh of relief and wiped the sweat from his forehead.

Aside. The captain, who was already frightened, asked with a bitter face, and asked Chen Ju in a low voice:

“Chen Ju, this, what is going on?”
