

Chapter: 1834

Wow!

Wang Youcai and the others who were secretly peeping were completely shocked when they heard Li Xunran's words!

Little three!

It's really a junior!

And so shameless, saying you want to be Lin Fan's mistress?

Wang Zhijun is directly burning with jealousy. In his opinion, Lin Fan is not as good as him. Why can such a stunning beauty be tempted?

No way!

I must take a good photo of it, as Lin Fan's evidence, to blackmail this damn dog in the future.

The atmosphere is at this moment!

Completely solidified!

Lin Fan was stunned for a long time before he could come back to his senses. He was obviously shocked by Li Xunran's words.

Ask him if he would like to have another wife?

Is this really serious?

Immediately, Lin Fan stretched out his hand and touched Li Xunran's forehead:

"Do you have a fever, why are you talking nonsense?"

Li Xunran angrily slapped Lin Fan's hand away, and said angrily:

"You just got a fever, this lady is fine!"

For the first time in her life, Lin Fan said she was talking nonsense?

"Then you know that I have a wife, and you said you want to be my wife? Are you not behaving like yourself?"

Lin Fan smiled helplessly.

When he heard this, Li Xunran suddenly flattened his mouth aggrieved, and said in a low voice:

"Do you think I want to? It's too much, is there any way?"

"what?"

Lin Fan was stunned, not hearing what Li Xunran was saying.

however!

Li Xunran, however, seemed to be willing to fight, and roared loudly:

"Then what can I do, I just like you! Even if I am a little wife for you, I am willing to do it!"

With that said, Li Xunran ignored it and rushed directly to Lin Fan, his lips quickly pressed against Lin Fan's.

boom!

Lin Fanton felt that his brain was blank, and he was completely stunned at this time!

He didn't even dream of thinking that Li Xunran would be so simple, and even directly and boldly kissed him!

"Pat, pat, hurry up!"

Wang Yanli kept patting Wang Zhijun on the shoulder, asking him to quickly record this scene.

She wants Lin Fan to be completely ruined!

When Bai Yi saw this scene, she didn't believe that Bai Yi didn't divorce Lin Fan, this guy was finished!

Haha!

"It's all taken, hahaha! That guy is done!"

With this evidence, Lin Fan will become their eternal slave!

After confirming that the filming was finished, Wang Yanli rushed out triumphantly and sneered:

"Lin Fan, when you are at work, you take a woman to wander around in Washington D.C. Pharmaceuticals. You don't think you are too concerned about the management!"

Hearing the movement here, Li Xunran immediately let go of Lin Fan with a guilty conscience, and then looked at Wang Yanli and the others vigilantly.

at this time!

Lin Fan also frowned, especially after seeing the mobile phone in Wang Zhijun's hand, his face became more and more unsightly.

It seems that the most invisible scene is still caught!

"Okay, Lin Fan, bring Xiaosan to DC Pharmaceuticals to have an affair. You guys and dogs are really courageous, and you are not afraid of letting Bai Yi run into it?"

Wang Youcai also laughed sarcastically. The look in Lin Fan's eyes was like looking at his own pallet fish.

"Who are these people and why are they not clean?"

Li Xunran asked with an ugly face, telling her instinct that these people are not good people.

Lin Fan coughed twice, and said in embarrassment:

"Ahem, these people are relatives of my wife."

"Miss Li, if there is anything important, you should leave first and leave it to me to deal with it."

Lin Fan wasn't afraid of Wang Youcai and them.

He was worried that the arrogant Li Xunran, Miss Li, who ignored her, was likely to have a lot of fun at the Washington Pharmaceuticals, which would not have a good effect.

"Who said I have nothing important?"

Li Xunran showed a shy smile and reached out to take Lin Fan's arm:

"I'm here to ask you out for shopping."

When I heard that these people were Bai Yi's relatives, Li Xunran was even more energetic!

She didn't know if it was jealousy at work, she actually hugged Lin Fan directly, as if deliberately wanted Wang Youcai to know her relationship with Lin Fan.

Really hammered!

This woman is the mistress!

"Tsk tusk, it's really eating in the pot, looking at the bowl, and dare to be so arrogant, Lin Fan, you can!"

Wang Youcai laughed loudly, and then took out his mobile phone and patted the two close friends.

And Wang Yanli snorted coldly:

"Huh, look at the virtues of the dog and the man, the show of affection has come to the Washington Pharmaceuticals, and it is still in the public. It is really shameless."

Wang Zhijun also followed up with a smirk, holding the phone while filming and saying:

"If Bai Yi knows about this, I don't know what kind of family war will break out. Lin Fan, you're a trash, are you going to be driven out?"

Lin Fan's face became stiff, and he quickly pushed away Li Xunran's hand, and then looked at Wang Youcai and others indifferently:

"Go ahead, what do you want to do?"

Upon hearing this, Wang Youcai sneered and said loudly:

"Hahaha, Lin Fan, you are a dead trash, I said how often you keep walking secretly, so you raised a woman outside! You are the only one who cheats and is so arrogant!"

Lin Fan nodded with anger when he was splashed with dirty water.

He retorted angrily:

"Wang Youcai, don't talk nonsense! This young lady is just an ordinary friend of mine."

"Ho ho,"

Wang Youcai pouted, but he didn't believe it:

"Ordinary friends? You are so hugged, you dare to say that they are ordinary friends? Is this the pure friendship between men and women that people often say? It's so funny!"

There was a burst of laughter from Wang Youcai and others in the field.

They looked at Lin Fan and Li Xunran with contempt, sneer, and even jealousy in their eyes.

Especially, Wang Zhijun, he stared at Li Xunran, and he couldn't see enough up and down.

It's so natural for a woman with such a bumpy figure and beautiful appearance to take the initiative to make an appointment with this dead waste like Lin Fan!

Wang Zhijun swallowed secretly and smiled lustfully:

"Lin Fan, my sister has no way of satisfying you, but you will find a way to solve it. Let's talk about it, how much did it cost my sister to raise this junior?!"

There was another roar of laughter, and everyone looked at Lin Fan with their eyes on trash and garbage.

In their opinion, what Wang Zhijun said is not excessive.

A trash like Lin Fan, who is a son-in-law in Bai's family, has no abilities, and every penny spent is naturally given by his wife.

Lin Fan sneered:

"It's the same sentence, it's your shit?"

"Fuck! You dare to be arrogant!"

Wang Zhijun suddenly became angry and cursed loudly:

"You trash, tell me honestly, is this woman your little mistress, or I will give this video to Bai Yi!"
