

Chapter: 1835

Before Lin Fan could react, Li Xunran had his willow eyebrows upside-

down, and kicked out directly, aiming at Wang Zhijun's crotch, causing

Wang Zhijun to scream directly, staggering and falling down. On the

ground.

But Li Xunran still looked like a surviving anger. He used the index

finger of his right hand to anger Wang Youcai and scolded:

“Did you grow up eating feces? Am I Lin Fan's little third? What does

it have to do with you? Tell you, I just like Lin Fan, how do you want to

drip?”

Seeing Li Xunran angrily scolding Wang Zhijun for being cool, Lin Fan

couldn't help but praised from the bottom of his heart, this girl is so

shabby, I like it!

But when he thought that Wang Zhijun and others were still holding

evidence of his “derailment” in their hands, Lin Fan stepped forward

helplessly to stop Li Xunran:

“Okay! Don't coax, you go first, don't get darker and darker...”

Li Xunran is cool, but then he will be in trouble!

Wang Zhijun was knocked down by a little girl from Li Xunran, and his

face couldn't be hung up, he went straight to Lin Fan and yelled:

“Damn, Lin Fan, you are a trash, dare to instigate Xiaosan to do

something to me, and see if I won't beat you today!”

With that said, he was about to punch Lin Fan.

With a bang, Wang Zhijun still didn't make a move, but his wrist was

grabbed by Li Xunran on the side.

Wang Zhijun stared and scolded:

“Smelly Sanba, let go. Don't let go, beat you up!”

Lin Fan was also busy persuading:

“Miss, don't be impulsive! Disabled him, I'm not good at dealing with

each other!”

But before he finished his words, there were a few crisp sounds of

“Papa Papa”, and Wang Zhijun's face was sturdyly slapped in the face

of Li Xunran.

Only then did Li Xunran loosen Wang Zhijun's wrist, tidy up his

clothes, and said lightly.

“I'm the most annoyed when someone scolds me 38. It's a conditioned

reflex. When someone scolds me, this girl will definitely give him a few

slaps.”

These loud slaps of her slapped everyone present, and everyone

including Lin Fan and Wang Zhijun stared at the beautiful woman in

front of her in a daze.

Violence, it is violence!

Such a handsome and slender beauty actually beats people?

Many people secretly looked at Li Xunran with admiration.

Even if beautiful women use violence, it is also beautiful violence.

Wang Zhijun felt a fierce pain on his face, and yelled in angrily:

“Damn, dare to beat me, stinky, you are looking for death!”

Then, he punched Li Xunran.

Only waiting for him to hit him, Li Xunran raised his leg and kicked

him on his belly.

“Ouch!” Wang Zhijun cried out in pain, bending over to hug his belly.

Li Xunran immediately waved his hand and hit Wang Zhijun's chin,

knocking Wang Zhijun to the ground.

Wang Zhijun struggled to get up, but he no longer dared to rush

forward, but asked Wang Yanli for help:

“Aunt, save me!”

“Damn, someone who dared to beat me in my Washington DC

Pharmacy, my daughter is the supervisor! You bitch, and Lin Fan, you

dead waste, you wait for me!”

Then, she yelled aloud:

“Kill! Hurry up, call the security guard, never let the dog and the man

and woman escape!”

For a time!

Seven or eight security guards gathered in the field!

Lin Fan pretended to complain and said to Li Xunran:

“Miss, I said don't be impulsive. If you do like this, the two of us will

get involved. Now, jumping into the Yellow River will not be clear!”

That's it!

However, Lin Fan didn't know that Li Xunran did it on purpose!

Li Xunran sneered: “Ho ho, it's nothing to call the security guard over,

I think he should call the police, so that you and I won't be caught by

law enforcement officers, at least we have to squat in a detention center

or something.”

A word to wake up the dreamer, Wang Yanli nodded repeatedly and

said loudly.

“Yes, yes, I called the police right away and told law enforcement

officers, Lin Fan, you are a trash, colluding with this dead woman and

disrupting the normal business order of the company, you will wait for

me!”

He touched the phone and was about to call the police.

“Really?” Li Xunran said with a sneer:

“Then tell the law enforcement officers by the way that Yao Lao's

disciple, Li Xunran, was in the wild at the Washington Pharmaceuticals.

By the way, let me catch my Master's old man and play with him, so

that the law enforcement officers won't have to make another trip.”

As soon as Wang Yanli finished dialing the police call, she froze there

as soon as she heard this, looking at Li Xunran in horror.

“You, you said, who is your master?” Wang Youcai also asked with a

kowtow.

He felt that his tongue was a bit useless for a while.

Li Xunran smiled slightly and said loudly every word.

“Ye, Yun, Shan, my master is Yao Lao, you can hear it clearly?”

Wang Yanli and the others were suddenly terrified, apparently

shocked by Li Xunran's self-reported family.

That woman turned out to be Miss Li's family, no wonder she was so

arrogant.

Not to mention these people, even the supervisor Xu Yourong, in

front of Miss Ye Da, would not dare to be presumptuous.

It seems that Wang Zhijun's beating was in vain.

Wang Youcai immediately reminded Wang Yanli in a low voice:

“Yanli, she, she said her master is Yao Lao, what shall we do?”

Wang Yanli's head is buzzing, how does she know what to do?

What's the matter with him?

Why did you run into Yao Lao's disciple Li Xunran?

Does Lin Fan's dead waste have any magic?

They have been helped by the nobles one after another, and this time

they even got in touch with Huaxia Taidou Yao Lao directly!

Wang Yanli's mind was running fast, thinking about how to deal with

this situation.

At this time, the voice of the police operator's questioning came from

his cell phone.

“Hello, how can I help you?”

Wang Yanli hurriedly said to her mobile phone: “No, what's the

matter? I accidentally dialed the wrong number just now.”

After finishing speaking, he hung up the phone and headed towards Li

Xunran slowly.

Outside the office, hula la broke into four security guards holding

electric batons and shields and shouted loudly.

“Who is making trouble?”

Mother, Wang Yanli was so scared that she almost urinated her pants.

She had to rush up regardless of the fact that she greeted Miss Li's

family with an electric baton, but she was done.

Whether the three of them will survive until tomorrow is unknown!

“No, no,” Wang Yanli rushed up and stopped the four security guards,

“It's all misunderstandings, all misunderstandings. This is Miss Li

Xunran, Mr. Yao, who came to find Lin Fan for something. Go back to

your posts.”

Yao Lao's reputation is widely known throughout China, especially in

Washington, DC Pharmaceuticals. How can the four security guards

have heard of it?

As soon as I heard that the opposite was Miss Li's family, the four

security guards broke out in a cold sweat and secretly groaned, almost

getting into a catastrophe.

The security guards bowed and apologized to Li Xunran quickly, and

then quickly turned and fled and left.

Only then did Wang Youcai and Wang Yanli turned around and walked

closer to Li Xunran, laughed with them, and bowed again and again.

“Ms. Li, I'm sorry, I'm sorry, I didn't know that it was you who ran into

you, please forgive me.”
