

Chapter: 1837

Wang Yanli touched the phone and dialed Shen Yumei's number.

Once the phone was connected, Wang Yanli couldn't wait to say:

"Yumei, let me tell you an explosive message."

Shen Yumei has very big opinions about Wang Yanli's family now, so when she heard this, her tone suddenly became unfriendly: "What is the explosive message to tell me?"

Wang Youcai pretended to be deep and said in a low tone.

"Yumei, I'm afraid this message will make you unhappy, maybe you will be furious with anger. You have to be mentally prepared."

"Let's talk about it, I haven't seen any big winds and waves? It's nothing." Shen Yumei frowned and said calmly.

In fact, she was already playing drums in her heart, and she didn't know what kind of bad news Wang Yanli would bring to her.

"Your trash son-in-law, Lin Fan's soul faded away." Wang Youcai said loudly from the side.

"What?!" Shen Yumei on the other end of the phone exploded and asked loudly:

"What did you say, who cheated, you say it again."

Wang Yanli repeated: "I mean Lin Fan's dead trash, that guy cheated and betrayed your Bai Yi!"

"It's impossible! You talk nonsense!"

Shen Yumei roared angrily:

"My Lin Fan is so behaved, I have never done anything to apologize to Bai Yi, so don't be silly!"

Shen Yumei didn't believe it at all. Lin Fan hadn't derailed after so many years of fighting and complaining, how could he derailed when the day was better?

It must be Wang Yanli and her family who want to spoil their family!

"Yumei, what I'm saying is true! The three of us have seen it with our own eyes! He and that woman have embraced and kissed each other. If you don't believe me, come here!"

At the other end, Shen Yumei suddenly sat on the ground feebly, her entire face completely ashamed.

"what's happenin?"

Baishan on the side asked puzzledly.

"Lin Fan, he cheated!"

After Shen Yumei said this, she burst into tears.

It seems to see a beautiful family, about to be broken.

what!

Bai Shan was also shocked immediately, and asked in disbelief:

"Who did you hear? You don't know who Xiaofan is. It's impossible for him to do such a thing."

Shen Yumei suddenly coldly hummed:

"Wang Yanli, they have all seen it, and now they are stepping on it over there, let us quickly go over to catch the rape, can this be fake?"

Baishan was speechless, and didn't know what to say.

"Lin Fan! You are too human and I am disappointed!"

Shen Yumei scolded loudly, and said angrily: "We Bai Yi are sorry to him at any point, he even cheated on my daughter!"

"That's right, Yumei!" When Wang Yanli saw Shen Yumei's anger, she knew that Lin Fan was done, and said with a sneer:

"What qualifications does that guy have to go out and fool around, cheat, go to other women, isn't he just a dog fostered in your Bai family!"

"His damn Lin Fan, even if he changes his heart, he won't be in his turn! Only our Bai Yi can get rid of him, abandon him, and then find a handsome and handsome man. That's right!"

Seeing the message she reported, she successfully angered Shen Yumei.

Wang Yanli smiled triumphantly and asked: "Yumei, what do you plan to do with Lin Fan's dead waste?"

"Never forgive him lightly. If this is true, I...I will let Bai Yi divorce him and let him go out of the house!"

Shen Yumei said angrily, obviously already dizzy.

"Yes, yes, you should do this." Wang Yanli said to the excitement, sitting upright:

"What kind of dead waste, dare to smear your Bai family's face and make Bai Yi suffer humiliation. You must deal with him severely, and then drive him out of the Bai family!"

In the next instant, Shen Yumei asked anxiously: "I don't understand, since you know the news of Lin Fan's derailment, then tell me what is the name of the woman who fooled with Lin Fan and where does her family live?"

Frowning, he asked: "What do you want to do?"

Shen Yumei said angrily: "That bastard fooled around with Lin Fan and made my daughter unable to raise her head. I can't let her go. I have to go to her house and make a big deal!"

Shen Yumei was angry with Lin Fan, but hated the vixen who ruined her daughter's family even more.

In her opinion, Lin Fan is a good boy, and she will never cheat by herself, so it must be the vixen who seduce Lin Fan, which led to this situation.

At the same time, Li Xunran dragged Lin Fan downstairs.

All the way down, Lin Fan was forced to walk staggeringly.

No matter what he said, Li Xunran never let go. As she walked in front, Lin Fan had to walk in an exaggerated bowed posture.

Naturally, when you encounter people, you will attract strange eyes.

Lin Fan explained with a grin, "There is no way, who makes us look handsome and doesn't want to follow along. This is not okay."

Downstairs, Li Xunran dragged Lin Fan to Da Ben before letting go.

Lin Fan was able to straighten up, rub his waist with his hands, and complain.

"Miss, you, do you count as abuse? Ouch, my old waist, oops, exhausted!"

Li Xunran tried his best to endure a smile and said coldly.

"I'm here to ask you to go out for fun and relax. Come harder and make you obey a little so that you won't encounter resistance. Don't you thank me?"

Lin Fan smiled bitterly: "Yes, but you are too domineering? How can I say, you are also a big man, you dragged away with this hand, it made me feel like a dog being led away. I thank you, I Is there something wrong with your brain?"

Li Xunran chuckled and said, "Okay, okay, I'm not thoughtful, I'm sorry to you. Let's go, get in the car, and I will take you out to be chic and chic."

Before, Li Xunran didn't know much about Lin Fan.

She only knew that Lin Fan had superb medical skills. Master and many seniors had high hopes for Lin Fan.

As a medical family, Li Xunran naturally has a lot of enthusiasm for the revitalization of Chinese medicine, otherwise he would not agree to the "bad ideas" of Master and many seniors.

But from the performance of Wang Youcai and others just seen, Li Xunran judged how lowly Lin Fan's position in the Bai family was, and made her feel sympathy for Lin Fan.

Lin Fan asked, "Ms. Li, wouldn't you really take me shopping? If that's the case, I, I still don't want to go. You know that my daughter-in-law is the president of Jiang's enterprise, so it's not good to be known by her. La."

Li Xunran widened his eyes and said broadly.

"What are you afraid of? I'm just as a friend, I asked you to go out to relax. You see that you are living a magical life in Bai's house. If you want to change to be me, I have already suffered from depression and ran off the building."

Lin Fan was a little moved by what he said, and he didn't think that this seemingly cold and arrogant Miss Ye was still quite kind in heart.

Lin Fan smiled and said, "There is nothing wrong, I am strong against stress. Besides, don't I still have my daughter-in-law. As long as my daughter-in-law treats me well, other people don't care."
