

# Chapter: 1845

“Inspection?”

Lin Zhanli was taken aback, then burst into laughter:

“Is there anything else that is good for inspection? The wild species is also wild species, and you are about to die, so there is no need to let this small wild species be born and suffer?”

“If I were you, I would have beaten him to save him from becoming a wild species without daddy in the future!”

Ok?

Upon hearing this, Lin Fan and the Bai Yi family’s expressions suddenly sank!

Obviously they were irritated by Lin Zhanli’s words!

That’s his grandson, how could he say such a thing?

Snapped! ! !

Shen Yumei went up and slapped Lin Zhanfei, roaring at Du Ao:

“What are you, why do you curse my nephew like this?”

“Have a vicious attack on my son, and now I don’t even let my grandson off. People like you are not as good as beasts!”

what!

Lin Zhanli suddenly became angry and stared at Shen Yumei extremely viciously:

“You, you dare to beat me? You dare to beat me?”

“You are dead! I tell you, I will never let you leave the imperial capital alive! When I kill this wild species, you will be the next one!”

“Lin Fan, I will dig your child out of your wife’s belly, and let your family reunite in the underworld!”

boom!

At this moment, Lin Fanton felt his brain roar!

An extremely crazy killing intent appeared in his heart, and he almost couldn’t restrain the killing intent in his heart, and killed Lin Zhanxi on the spot!

Today’s Lin Fan is not only her husband!

He is even more of a father!

But Lin Zhanli cursed his children in front of him?

“you!”

Shen Yumei was also furious, if it hadn’t been for Baishan to pull it, she might have gone desperately with Lin Zhanyu.

Lin Fan’s face was gloomy, staring straight at Lin Zhanxi:

“I’ll go with you!”

what!

“Lin Fan, no!”

“Xiao Fan, you can’t listen to his nonsense!”

Bai Yi and the others were in a hurry, and naturally they all could see that Lin Zhanli’s visit this time was kind of peaceful.

If Lin Fan goes with him, who knows what he will do to Lin Fan?

“It’s okay, I’ll be back when I go!”

Lin Fan smiled and comforted. He knew that he couldn’t escape the catastrophe today. If he didn’t go with Lin Zhanyu, Lin Zhanyu would embarrass Bai Yi and the others.

“Go and go back? Should I say you are overconfident?”

Lin Zhanli sneered, doesn’t this idiot still know his situation?

The Lin Family today is not what it used to be!

First of all, the economic problem has been solved through the Global Bank, and Xu Longguan and He Lanxuan are now in the Lin family. It takes minutes to kill Lin Fan.

This idiot thought he could come back?

It’s so ridiculous!

“Stop talking nonsense, lead the way!”

Lin Fan said with a gloomy expression.

Seeing Lin Fan’s attitude, Lin Zhanli suddenly snorted with an unhappy expression:

“I hope you will be able to laugh when you arrive at the Lin’s house in a while!”

then!

Lin Fan followed Lin Zhanli to the Lin’s house!

But after arriving at Lin’s house, Lin Fan took out his cell phone and dialed a number.

See it!

Lin Zhanli just sneered!

“It’s too late to move rescue soldiers now, isn’t it?”

“It doesn’t matter who you call, because you are facing the two most terrifying army seats today!”

“Lin Fan, this is the end of the fight against our Lin family. Even if you regret it, it’s too late, hahaha!”

However, Lin Fan paid no attention to him. When the call was connected, he only said three words:

“let’s start!”

It’s the beginning and the end!

Today, the Lin family will know who Lin Fan is!

However, Lin Zhanli only thought that Lin Fan was playing mystery.

His face is even more contemptuous. Does this kid think he can fool them with a few words?

Isn’t that too small for them to look down upon?
