

Chapter: 1847

The Lin Family must cut the weeds and roots, and completely uproot Lin Fan's vein!

The whole audience was silent!

The atmosphere has also become extremely weird at this time!

And just now!

Lin Fan laughed, and laughed loudly, full of madness and brutality!

Then, he stared at Xu Longguan with murderous aura:

“You are so confident to take me down?”

Ok?

Xu Longguan and He Lanxuan looked at each other, and they seemed to see a little surprise in each other's eyes.

It seems that I don't know where Lin Fan's confidence comes from.

This guy is already their pallet fish, is it possible that he still naively thinks he can escape?

He Lanxuan's face suddenly sank and said:

“If you have any means, then use them as soon as possible, otherwise you won't have a chance.”

“Yes, we'll give you a chance to be someone else, don't say we bully the small!”

Hear the words!

Lin Hongtu laughed suddenly:

“Mr. He really likes to talk and laugh. With the patience of the two of you, no matter who he calls, he will only come home in the end!”

“In the entire China today, who else would dare not give you face?”

And this time!

Xu Longguan also sneered:

“Of course, there are two other army seats? If you can call in the other two army seats, you can surely save you a dog's life!”

However, to everyone's surprise, Lin Fan actually smiled and nodded:

“Okay, then I will call the army seat!”

What the hell?

Everyone stared at him in astonishment, with an incredible look!

Is this guy funny?

Military seat, you just call it if you want, right?

Xu Longguan was taunting casually, but Lin Fan really hit the snake with the stick?

“Really? I don't know which soldier you plan to call?”

Xu Longguan sneered and asked, as if watching a joke.

But Lin Fan asked seriously:

“Couldn't the two military seats be called together?”

Ok?

Everyone looked at Lin Fan's serious expression, but their complexion instantly became extremely ugly!

They realized that this guy was playing with them on purpose?

Call two army seats together?

Who does this guy think he is?

That's a military seat, do you think a cat or a dog?

Even with the existence of Xu Longguan and He Lanxuan, it is impossible to call the two army seats in a single phone call.

Lin Fan is an unknown boy, where's the confidence?

At this time they all realized that Lin Fan was just entertaining them on purpose!

Xu Longguan sneered, and gave Lin Fan a thumbs up:

“Boy, you are very good, dare to come to entertain us when we die!”

“Your courage is really not so big!”

“If this is your last word, then you can go on the road!”

Talking!

He stood up, and a terrifying power suddenly appeared on his body, like a tsunami surging!

A pair of eyes, it is also instantaneously dark!

Deep invisible, like an abyss!

Everyone realized that Xu Longguan was planning to make a move.

“What's the hurry, see you in half an hour!”

Lin Fan said with a smile.

Ok?

Lin Fan's words immediately stopped Xu Longguan's progress.

“Okay, I'll give you half an hour, and treat it as an opportunity given to you by our two armies!”

“If you can't call someone in half an hour, I think even if you die, you'll have to look down, right?”

Xu Longguan snorted coldly, and then sat back again.

“Two soldiers, don't do it! This kid is obviously delaying time, in my opinion, it's better to solve it as soon as possible!”

Lin Hongtu hurriedly urged, for fear of outdated branches.

But Xu Longguan waved his hand and said coldly:

“Okay, I don't want to be said to be a big bully!”

“What if he delays for another half an hour? It's not a dead end in the end!”
