

Chapter: 1849

“You stupid, do you know how the chairman of Global Bank exists? It is a sentence that can dominate the existence of a small and medium-sized country’s economic system. Countless chaebol tycoons are just the horses under his command.”

“What kind of thing do you dare to compare yourself with this kind of existence?”

They are going to die for joy!

Isn’t this a joke?

Lin Fan, how can He De?

At this time they were no longer nervous, because they felt that Lin Fan was bragging.

Although this guy doesn’t know how to learn about their loan, he guessed that he wanted to use it to blackmail them, right?

But how could they easily believe Lin Fan’s nonsense?

This idiot actually said that he is the chairman of Global Bank?

This is awesome!

Do you really treat them as idiots?

At this time, both father and son were fully affirmed that Lin Fan must be fooling around!

however!

Just now!

Jingle Bell!

Lin Hongtu’s cell phone rang suddenly.

Lin Hongtu frowned, then lowered his head to answer the call.

“Chairman, the big thing is not good! People from Global Bank came to our company and asked us to repay the previous loan!”

“And it’s 670 billion yuan in profit!”

what!

Lin Hongtu’s face turned black in an instant!

Only one month later, did Global Bank come to ask for debt?

How can there be such debts? Isn’t this a clear way to deceive them and deliberately pit them?

“Impossible! You must be mistaken!”

Lin Hongtu roared angrily, couldn’t believe it was true.

How could Global Bank offend the Lin family for this money?

And if you do this, who would dare to ask them for a loan in the future?

This must be a mistake!

“Chairman, it’s true! They also brought people from the court, saying that if we don’t pay the money today, they will directly file a lawsuit against us!”

moment!

Lin Hongtu’s heart was cold. They signed an unlimited liability loan. According to the law, Global Bank could indeed require them to repay all loans and interest at any time and under any circumstances.

But now their Lin family, how can they return the money?

This is killing them!

“What did you do? You little beast, what did you do?”

Lin Hongtu roared at Lin Fan, he knew that all of this must have something to do with Lin Fan, otherwise it would not be so coincidental.

“I said long ago that I am the chairman of Global Bank, don’t you believe it?”

Lin Fan sneered.

At this time, Lin Zhanli looked at Lin Fan in horror, and was completely frightened.

Isn’t it true what this kid said?

In other words, did Lin Fan deliberately set them up?

First, Gaoli loaned them, and then suddenly recovered, just to make them the Lin family never turn back?

Hear the words!

Xu Longguan and He Lanxuan couldn’t help frowning, doubting the authenticity of Lin Fan’s words.

Can this kid have such a big background?

If this is the case, it would not be easy to move him.

“You fart! You don’t take a pee to show your virtues. How can a wild species like you be the chairman of Universal?”

Lin Hongtu roared, but didn’t believe it at all.

Lin Fan is too young!

Only in his early twenties!

At this age, want to dominate a top ten global company?

Why is he?

Even he has no such ability!

“He has the ability, do you have the ability?”

At this moment, a cold voice suddenly came from outside the door.

Lin Hongtu and Lin Zhanye looked back at the same time, and then they saw a woman in professional attire who walked in stridely, with a touch of indifference on her face that turned away thousands of miles away.

“Miss Rowling!”

The moment they saw her, both Lin Hongtu and his son were shocked.
