

Chapter: 1851

They never dreamed that they would be so teased by Lin Fan!

And Xu Longguan and He Lanxuan couldn't help taking a deep look at Lin Fan, and were shocked by the young man in front of them.

At this age, with such strength and background, is the Lin family blind? Otherwise, how could such a genius be abandoned?

At this time, Xu Longguan and He Lanxuan were the two big army seats. If it weren't for Lin Fan's offending them to death, they would even want to talk about cooperation with this younger generation.

"How did you come?"

Lin Fan asked Rowling with a smile.

"I don't worry about you, so I want to come and have a look!"

Rowling also explained with a smile.

Lin Fan smiled faintly and shook his head, and said with no shame:

"It's just a mob, what can I do?"

He didn't even pay attention to Xu Longguan, how could he care about a Lin family that was now on the verge of collapse?

And hearing Lin Fan's words, Xu Longguan and He Lanxuan's expressions suddenly became extremely ugly.

This kid, dare to say that they are a mob?

This is not to put them in the eyes at all!

"Boy, tidying up the Lin family has made your self-confidence swell?

Don't even pay attention to us?"

Xu Longguan coldly snorted. At this time, he even regretted agreeing to Lin Fan's terms, because he couldn't help but want to kill this little bunny.

"I don't care if you are the chairman of Universal Group, if you have no way to call in the two armies for a while, you still have to die!"

This sentence completely awakened Lin Hongtu and his son!

Correct!

There are Xu Longguan and He Lanxuan as backers!

If Lin Fan can't solve them, it will still be a dead end!

Even if Lin Fan is really the chairman of the Global Bank, what if there is no way to survive is just a dead man, no matter how great he is, he is a dead man!

Now!

Lin Hongtu stared at Lin Fan extremely resentfully:

"Lin Fan, you still have to show my Lin family when you die, don't worry! In return, I won't let your wife and children die too easily!"

"Your wife is called Bai Yi, right? When that happens, I will send her overseas, so that she will be humiliated for the rest of her life, until she dies!"

"Your child, I will also take him back to Lin's house, raise him like a dog, and torture him slowly!"

Lin Hongtu has already hated Lin Fan!

Even if he killed Lin Fan a thousand times, he didn't think it was enough!

So he wants to vent his hatred on Lin Fan's wife and children!

Torture them slowly!

Let them die!

And hearing this harsh curse, Lin Fan's face instantly became extremely gloomy.

"After a while, you will regret what you said!"

This warning!

It is also a threat!

Just~

Lin Hongtu laughed aloud, disdainfully said:

"For a while? You'll be dead in a while! Want to threaten me?"

regret?

Lin Fan should regret it!

Now, it's the countdown to Lin Fan's death!

As long as half an hour arrives, he will be completely dead!

Both father and son are looking forward to the moment of Lin Fan's death.

And Lin Zhanli kept staring at his mobile phone, and when the time was up, he yelled at Xu Longguan impatiently:

"Two soldiers, half an hour has passed. I'm sure this kid is delaying time. Let's do it now!"

"Boy, the opportunity has already been given to you, now you can die!"

He Lanxuan let out a cold snort, and wanted to step forward.

"Old He, give him to me, I will kill him!"

Xu Longguan scolded angrily that he wanted Lin Fan to regret living in this world.

Helan Xuan grinned and said:

"That won't work, he killed my most important junior. Can I forgive him lightly? I must personally kill this person in order to solve my hatred!"
